There is a language in nature that speaks of the existence of God. It is the language of order, beauty, perfection and intelligence.

## Confusion and Frustration: Registration

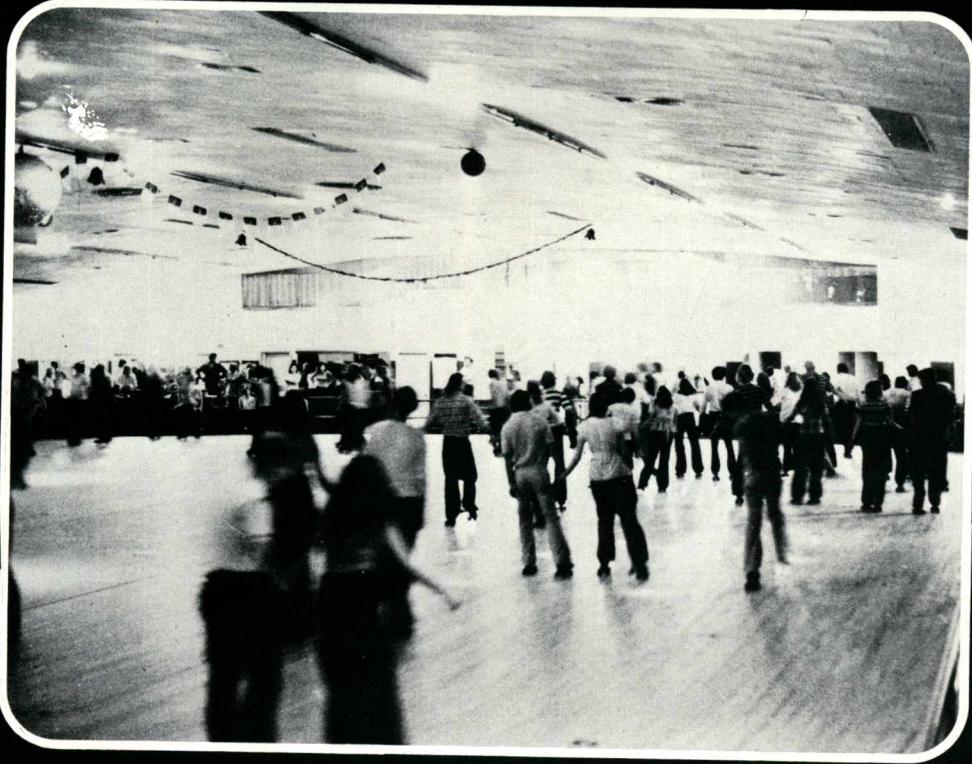

Registration, as always, was two days of confusion and frustration. Probably the one thing that characterizes Registration the most is lines. Lines of people waiting to see advisors, lines waiting for the checking secretary, lines waiting to be assigned P.O. Boxes, even lines of people waiting to pay their tuition. Registration, though is also a time of reunion with old friends and even a time to make new friends. But mostly Registration is a necessary evil, or better said, a lesson in the virtue of patience.

# All-School Picnic

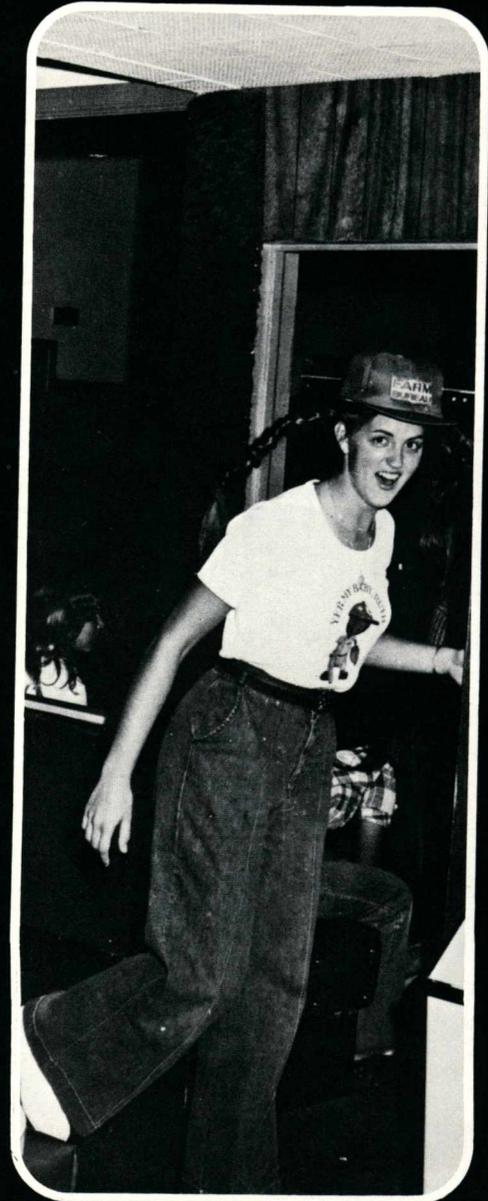

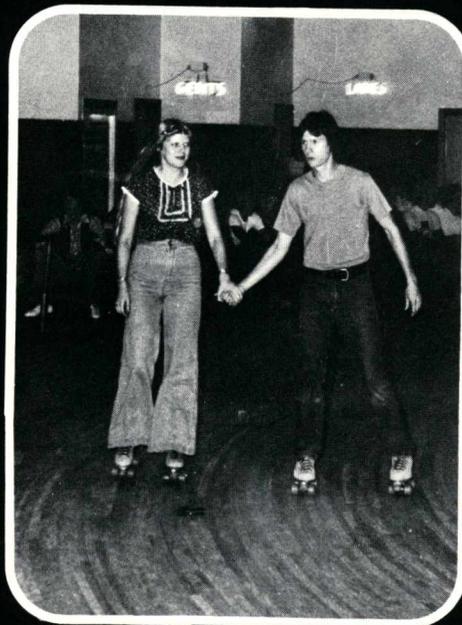

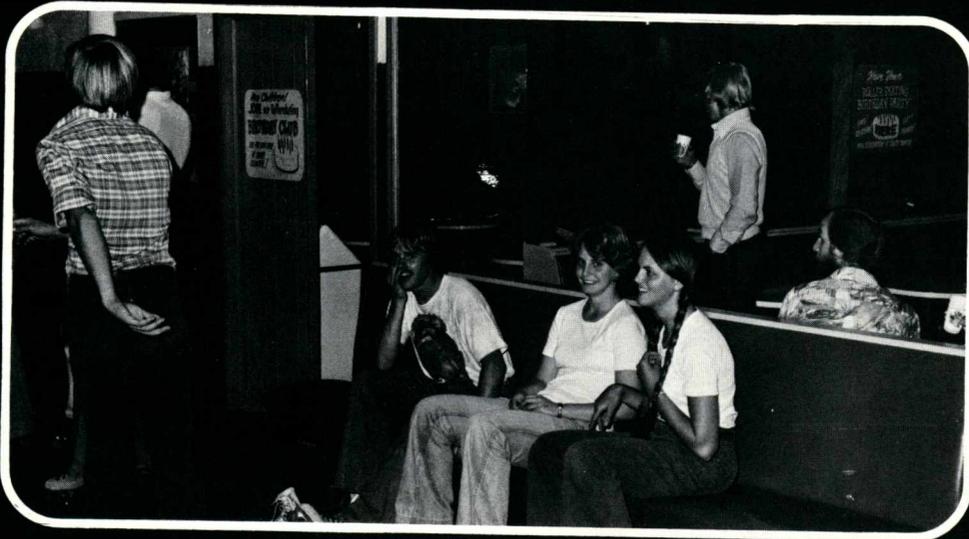

On Saturday, September 4, the All-School Picnic took place in Ann Morrison Park. Many tubing fans took advantage of the Boise River by floating down the River to their destination at the park, where lots of food, games, and fun were waiting. In the afternoon the picnickers headed over the Julia Davis Park bandshell to listen to some of the summer traveling groups give a concert. It was a long day of fun and relaxation, just what we needed before tackling the books for a new term.

# Fun and Falls All-School Skate

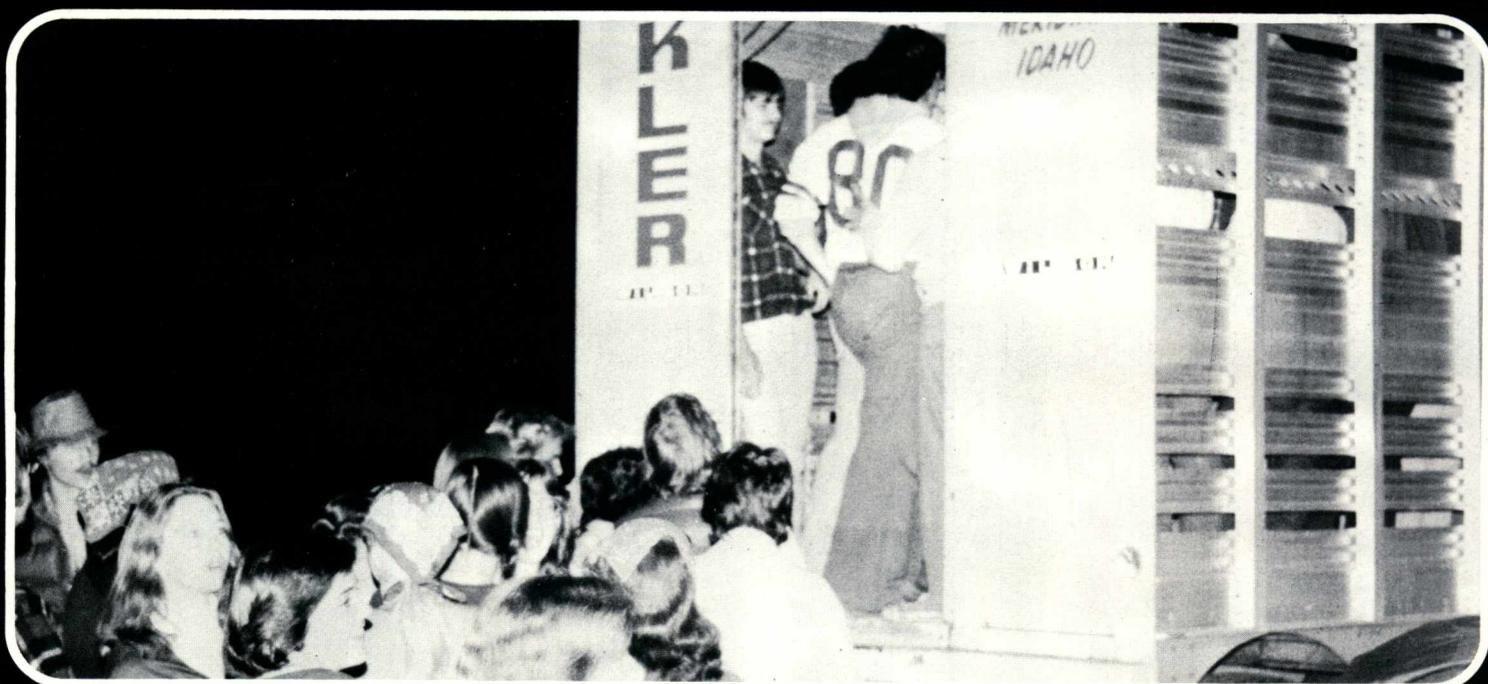

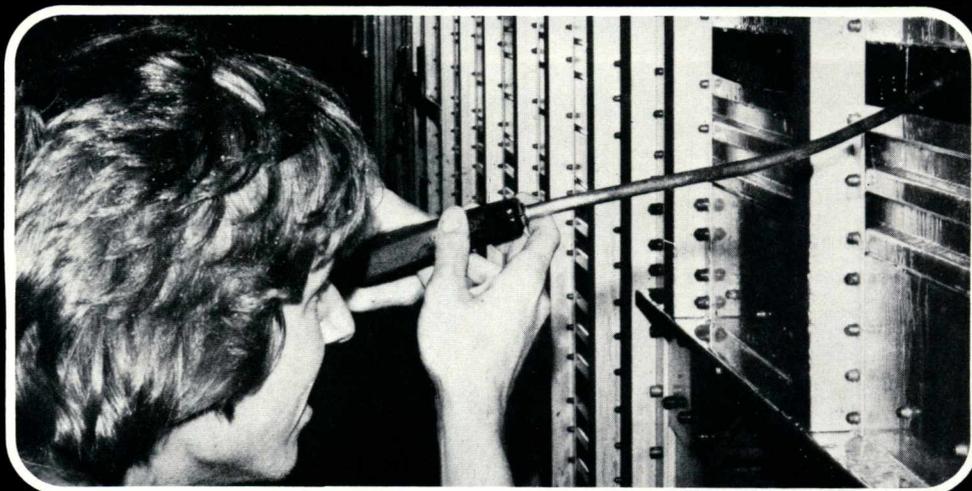

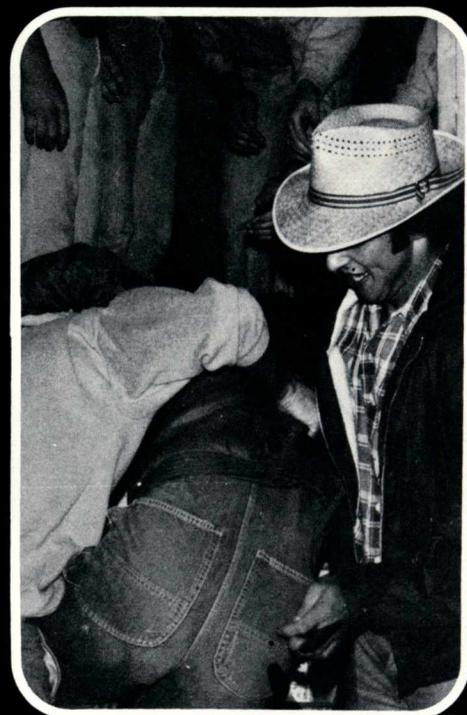

The Nampa Rollerdrome was the place for fun and action on Friday, September 24. This night ASNNC had the rink for the evening and many of the students took advantage of this time to brush up on, or maybe even experience for their first time, the art of roller skating. The night ended with a few bruises, bumps, and blisters, but not enough to thwart anyone from saying they had a good time.

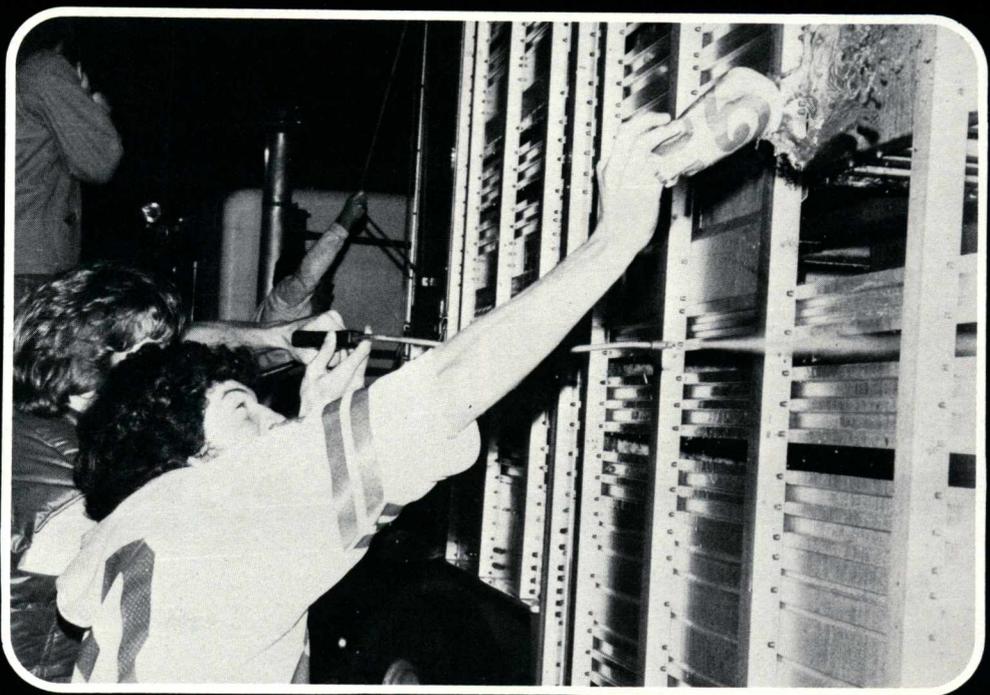

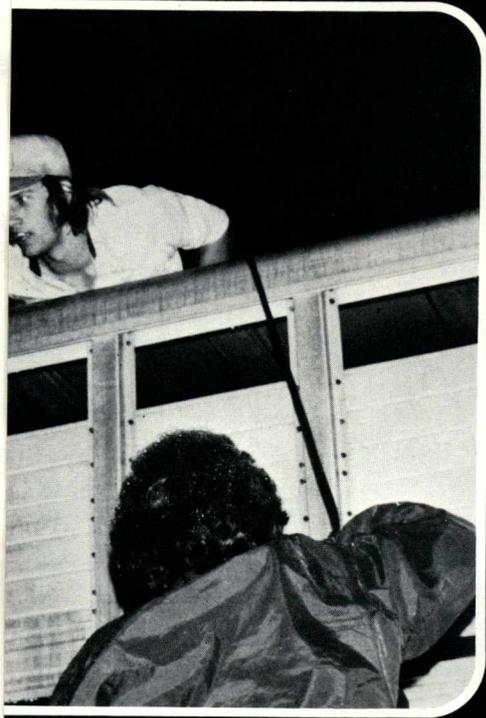

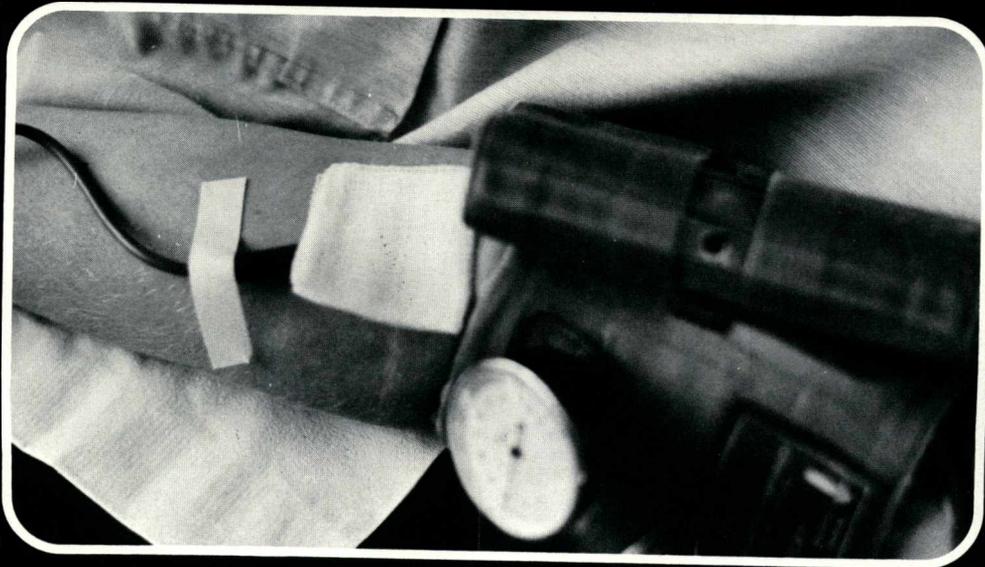

## Freshman Initiation

# What Did You Expect From Initiation?

Saturday morning came much too early for the Freshmen when they were very rudely awakened and taken to a cattle truck for a breezy early morning ride. The Sophomores, insisting that it was good for their health, then gave the Freshmen a cold shower with a local car wash sprayer. They were then dropped off at a not-so-nearby parking lot and told that they would feel much better after an invigorating walk back home. Of course, this distressed the Freshmen a great deal. But what did they expect from initiation?

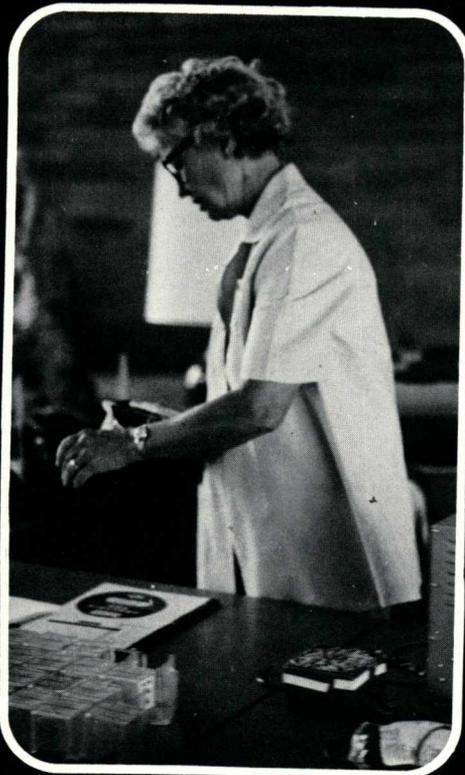

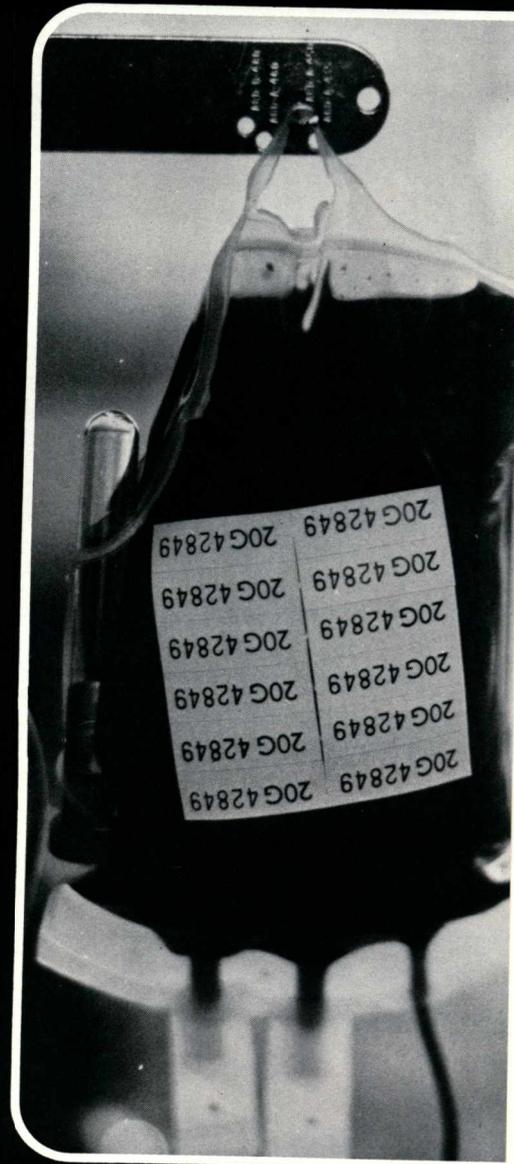

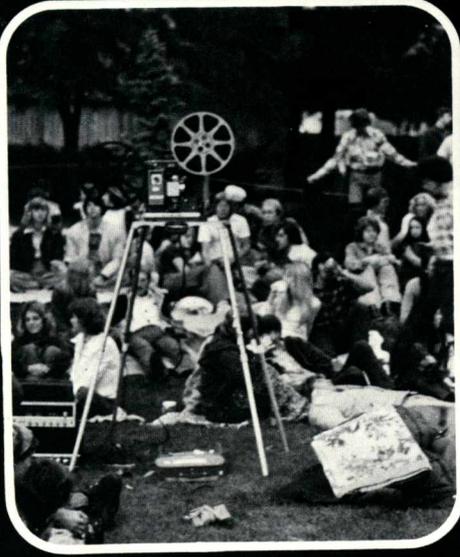

## Annual Blood Drive Receives 108 Pints for Red Cross

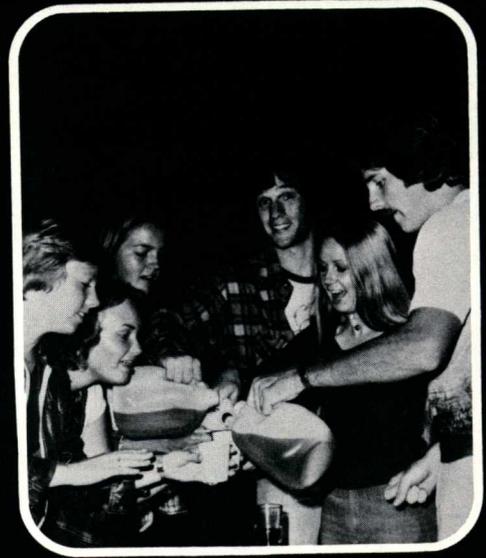

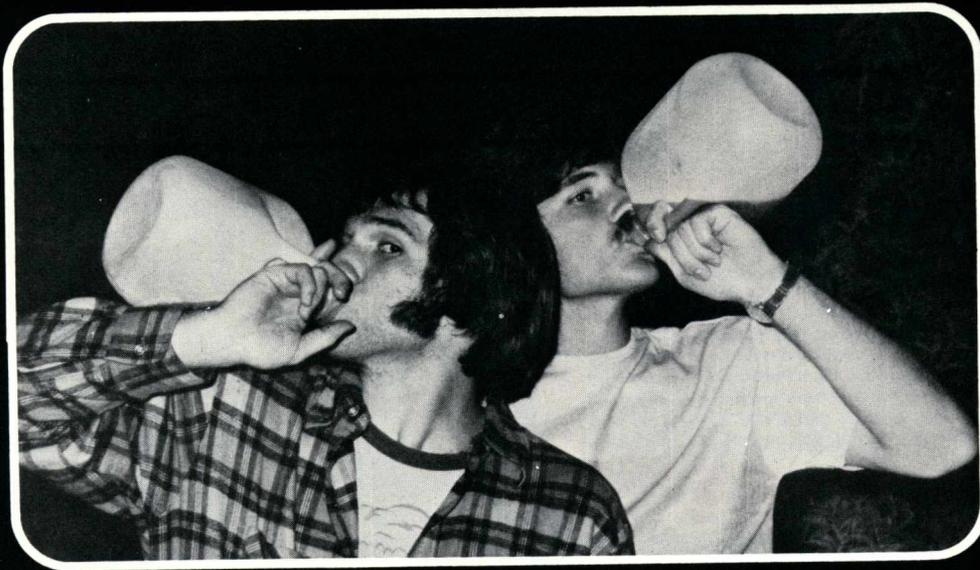

On November 4, 108 students donated blood, leaving the goal of 123 pints short only 15 pints. Many students are not aware of the facts about giving blood and the American Red Cross has been helping to enlighten the students on the real need of giving blood. The Blood Drive is an annual event on the NNC campus and it is a very worthy event, because the blood we donate helps save lives.

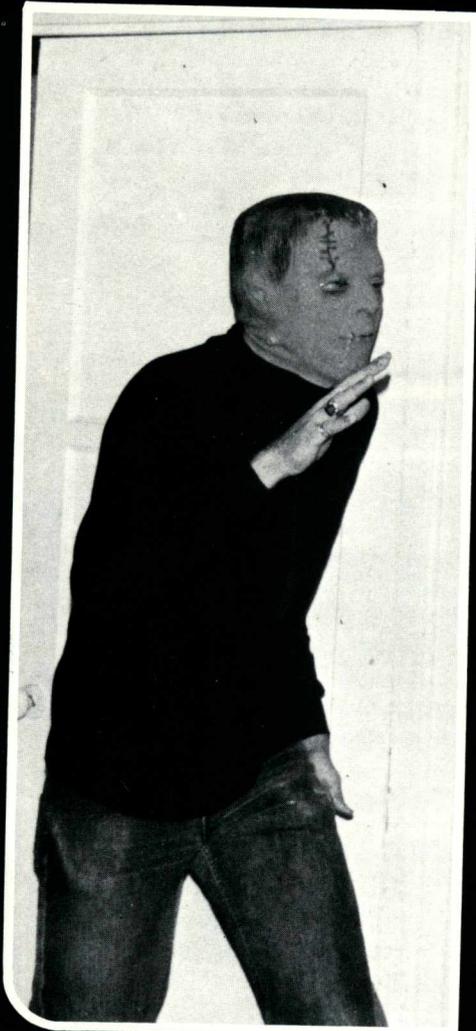

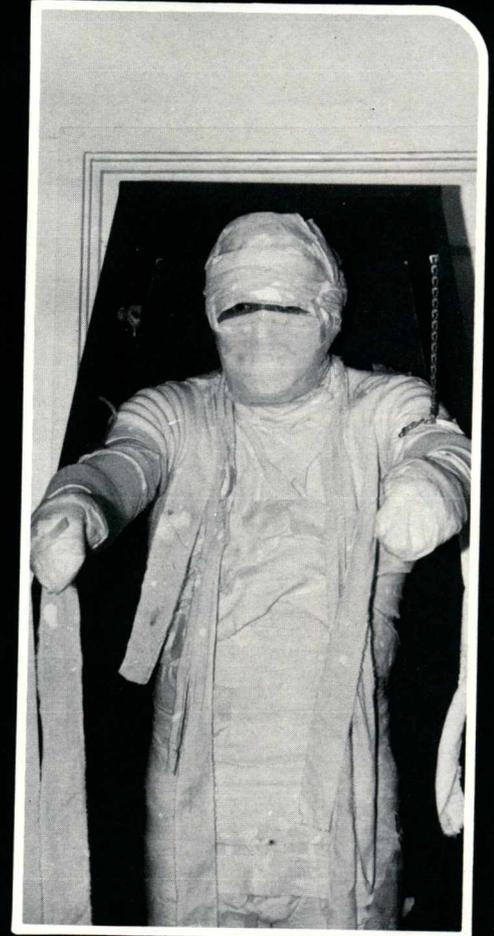

## Root Beer Festival: A Bubbling Success

Root Beer and old-time movies were the main attraction at the ASNNC Root Beer Festival on September 18. The Festival was held on the lawn between Dooley and Culver Halls and lots of thirsty people showed up with all kinds of mugs and glasses out of which to drink the Root Beer. The weather was agreeable and everyone had a good time relaxing on the grass with a stomach full of root beer.

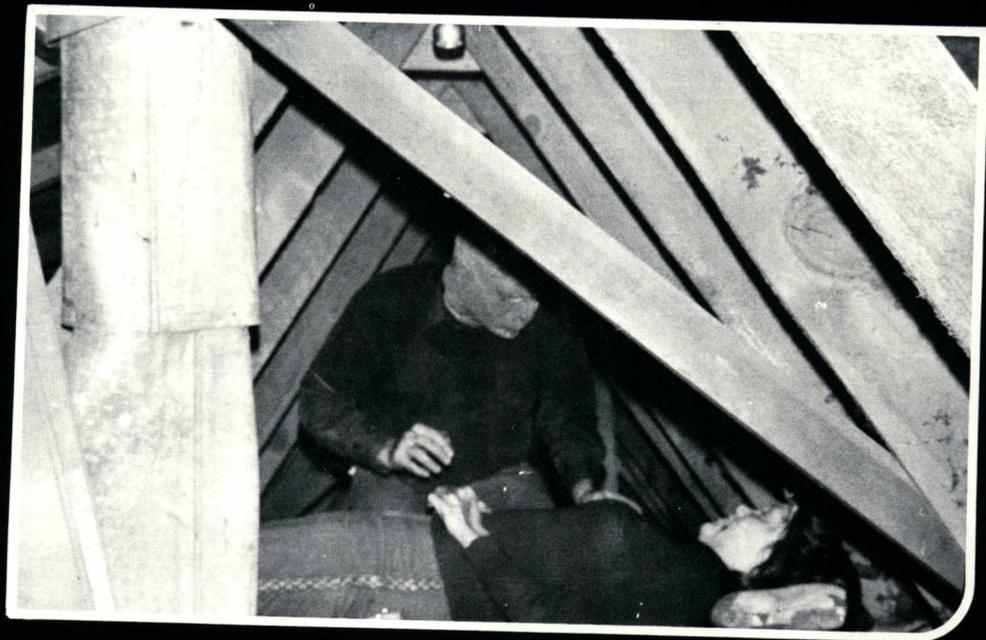

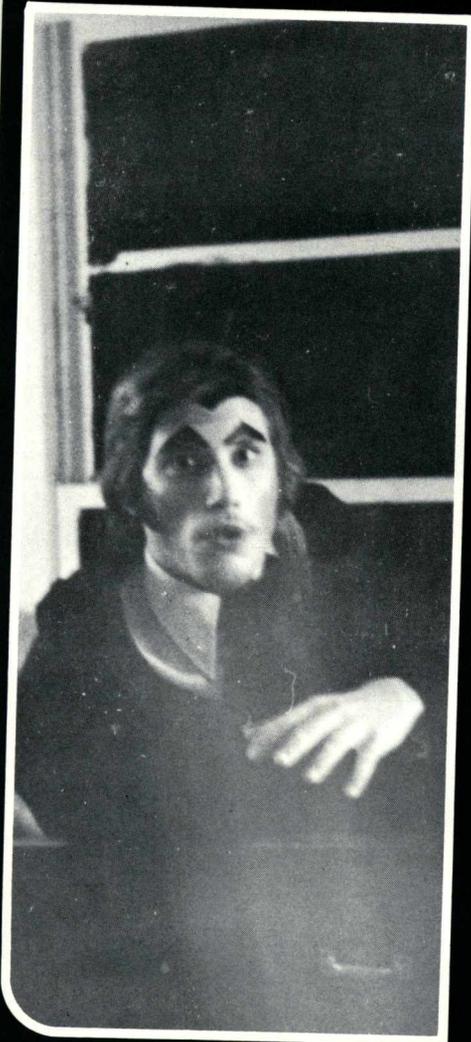

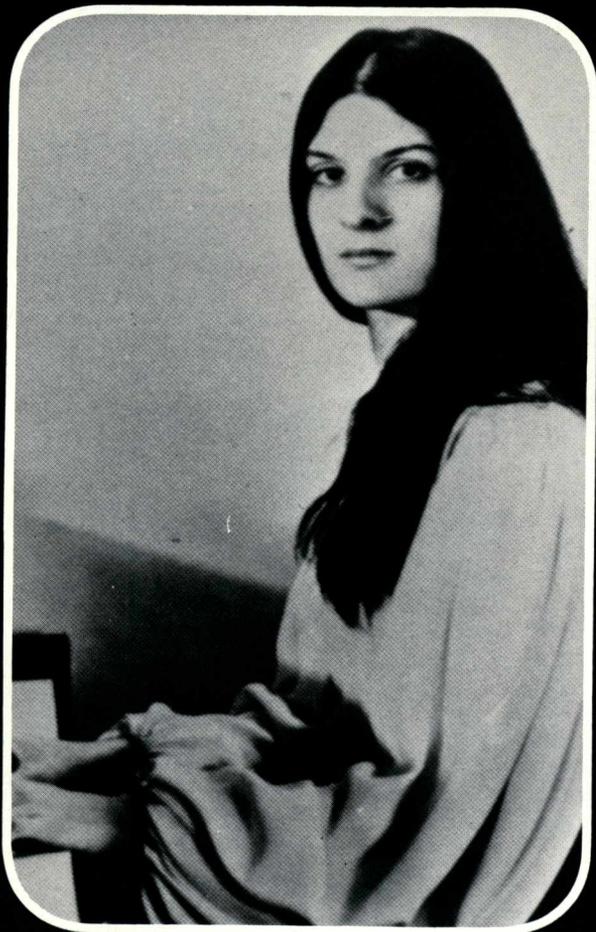

# A Full Moon — a Haunted House — Halloween

The Haunted House was a success this year running for three nights, October 28, thru 30, in one of the old Verville buildings. Attractions like witches, vampires, a mummy, ghosts, a hanging woman, and many weird creatures, brought many to the house to be frightened by its inhabitants. Some were frightened, some were grossed out, and some merely laughed, but whatever they did, it is sure that the House made their Halloween more memorable.

# "Faith Flight" Sets Pace of Excellent Concerts for the Year

On October 15 at 9:30 p.m. in the Science Lecture Hall, "Faith Flight" gave a gospel concert. Their music was easy listening and their Christian witness was sincere. It was a good time of sharing for those who attended.

# The Archers

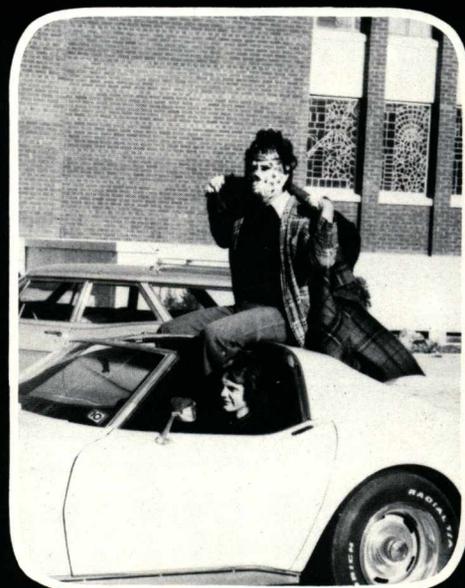

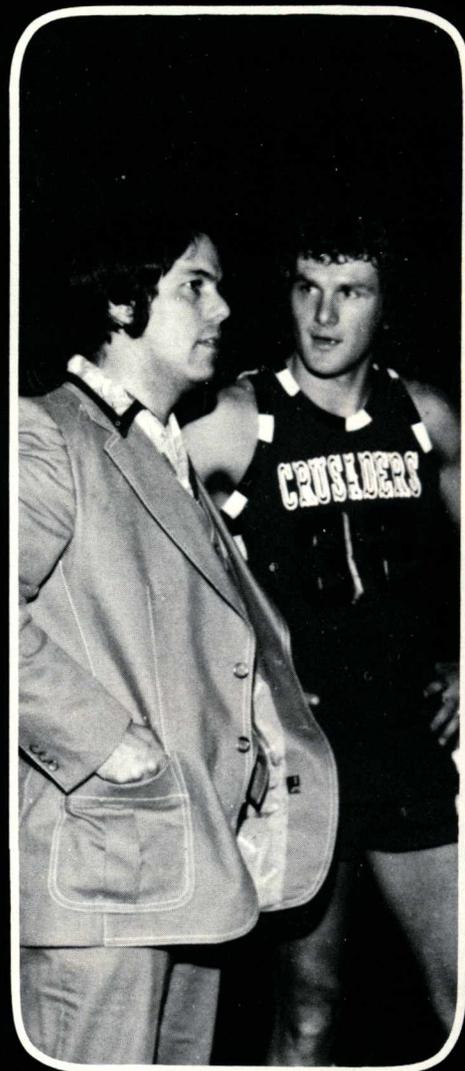

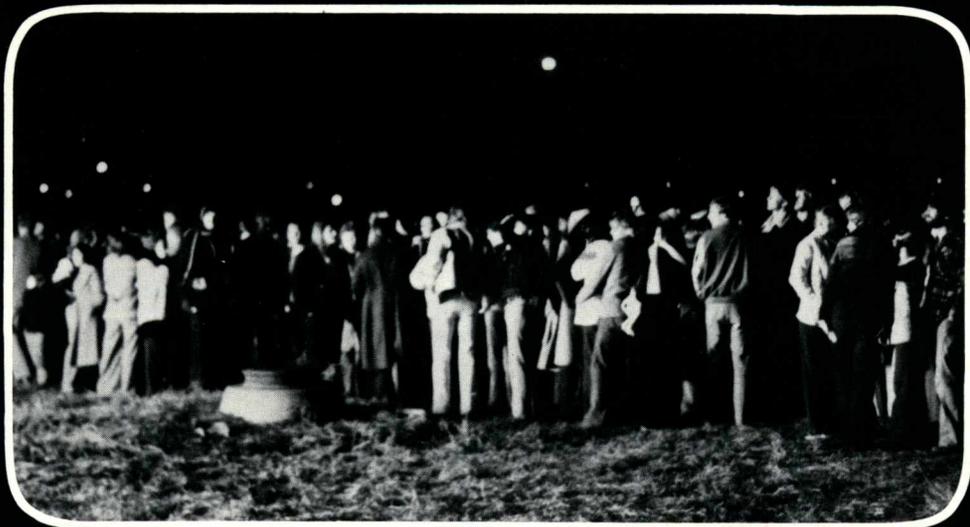

The Archers presented a concert November 3 at 8:00 p.m. in the Science Lecture Hall. This group, led by brothers Tim and Steve Archer, have been ministering through the contemporary sounds of today. They have travelled nationwide. Their ministry here was appreciated.

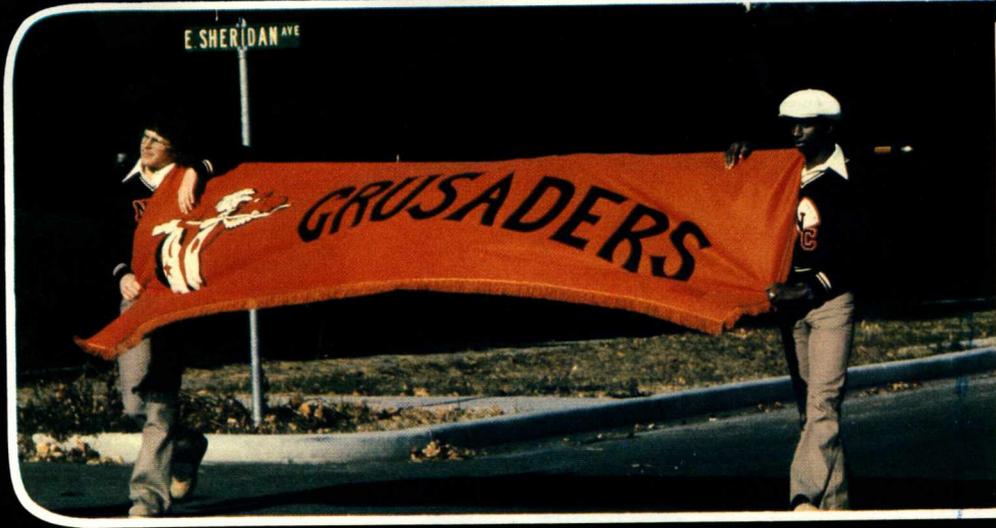

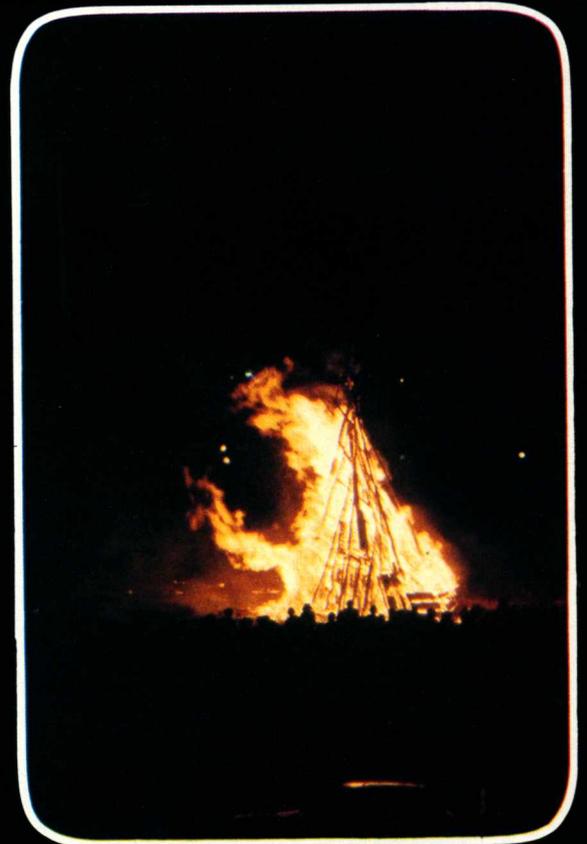

God's Love . . . Changing Our World . . .

# Homecoming 1976

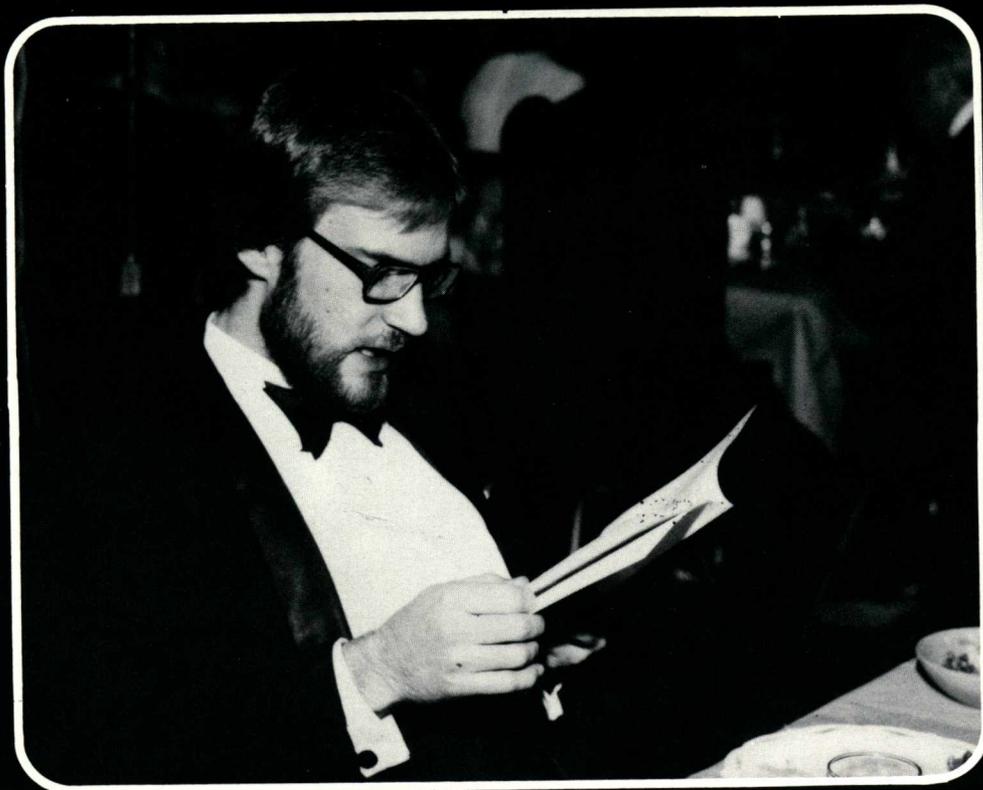

As always, Homecoming was a time of celebration. Old classmates, families, and friends were reunited over the Thanksgiving weekend . . .

The Thanksgiving Banquet, the drama "Sherlock Holmes: A New Adventure," Thanksgiving evening with Ann Kiemel with "HIS," and the Bonfire, were the highlights of Thursday. On Friday, the morning was full of Alumni activities with the Alumni Convocation and the Alumni Banquet that afternoon. Friday night Sandy Dillabaugh was crowned Homecoming Queen and the Crusaders beat the Pacific Lutheran Lutes in basketball. Saturday was another day full of Alumni activities and another basketball game. "God's Love . . . Changing Our World" was the theme of this year's celebration.

## Thanksgiving and Alumni Banquets

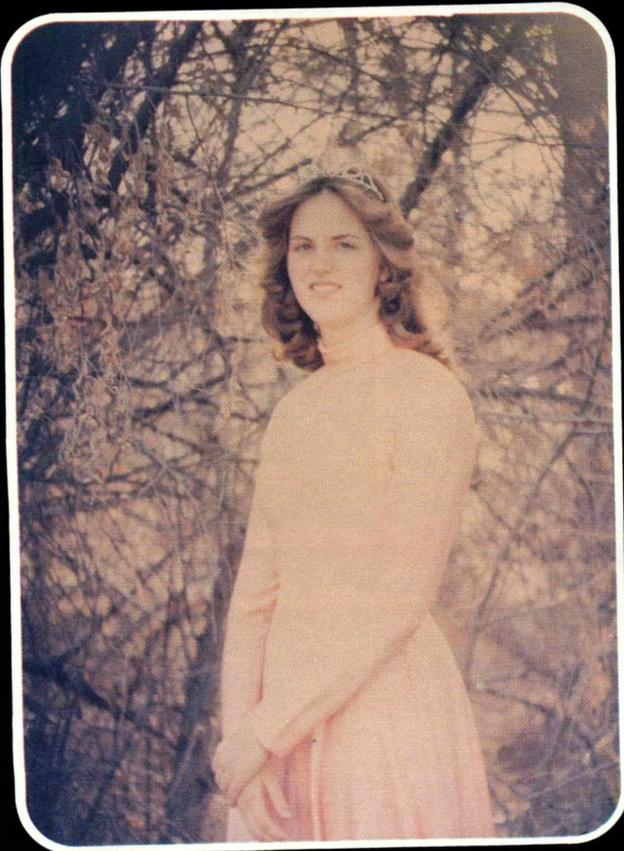

The Thanksgiving Banquet was held in SAGA on Thursday November 25 at 4:00 pm. Crusader Choir provided the music. The Alumni Banquet was November 25 at 2:30 pm in SAGA dining room. The music was provided by the Northwesterners.

Thomas Hinton's "Sherlock Holmes: A New Adventure" centers around the classic Sir Arthur Doyle character, Sherlock Holmes, and his companion Dr. Watson. Holmes' adversary for this particular round is the evil (naturally) Professor Moriarty.

This two-hour confrontation of good and evil is prompted by the mysterious disappearance of the new wife of Lord Swandon. Holmes, after rejecting the case takes up the challenge after a maid is murdered in his flat. The rest of the drama chronicles the struggles between the pipe-smoking detective and the Napoleon of crime.

## The Valentine Banquet

The theme of the Valentine Banquet this year was “Love is Everything it’s Meant to Be” which was Feb. 12 at the Rodeway Inn. The decorations, supervised by Robin Merrick, added to the lovely atmosphere of the banquet room. The steak dinner was finished by a program, emceed by Steve Hicks, with Ron Ponsford speaking on what love meant to him. Music for the Banquet was provided by Faith Freedom Trio and Mark Almond.

## Junior Class Play "Spring Fever"

Written by Glenn Hughes, the play is a comedy about college life in the '40's. The play's action centers in a male boarding house owned by Mrs. Spangler. There were plenty of laughs and never a dull moment in this fast-moving comedy. And apparently college life hasn't changed much over the years. Spring Fever was truly an enjoyable experience for everyone who went.

Senior Slick: Turn  
Back the Hands of  
Time

On January 28 once again the hands of time were turned back to reminisce the golden days of the 1950's. As tradition goes, students turned out looking like they had just walked out of an old yearbook with their slicked backed hair, white shirts, rolled-up blue jeans, and curly hair, bobby-socks, and red lipstick. After an exciting game with EOSC the "Slickers" packed out the Science Lecture Hall to listen to the all-star "Pennzoil and the 50-weights" along with the "Tough Lovin' Chicks" and "Sisters." After this it was time for hot-dogs and pop at the SAGA soda fountain. When the fountain was drained the hands were turned back to 1977, the only problem was the greasy hair.

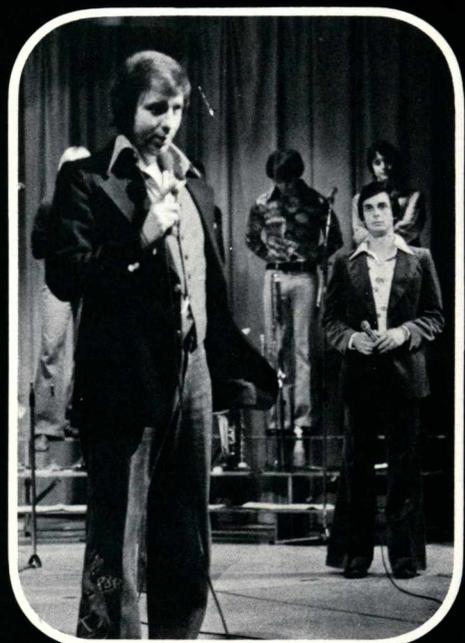

# "Just André In Concert

On February 1 at 8:00 pm to a field-house packed with people "Just André" came to share his music and testimony. André Crouch is one of the leading composers and singers of gospel music. His concert was a great time of praising the Lord.

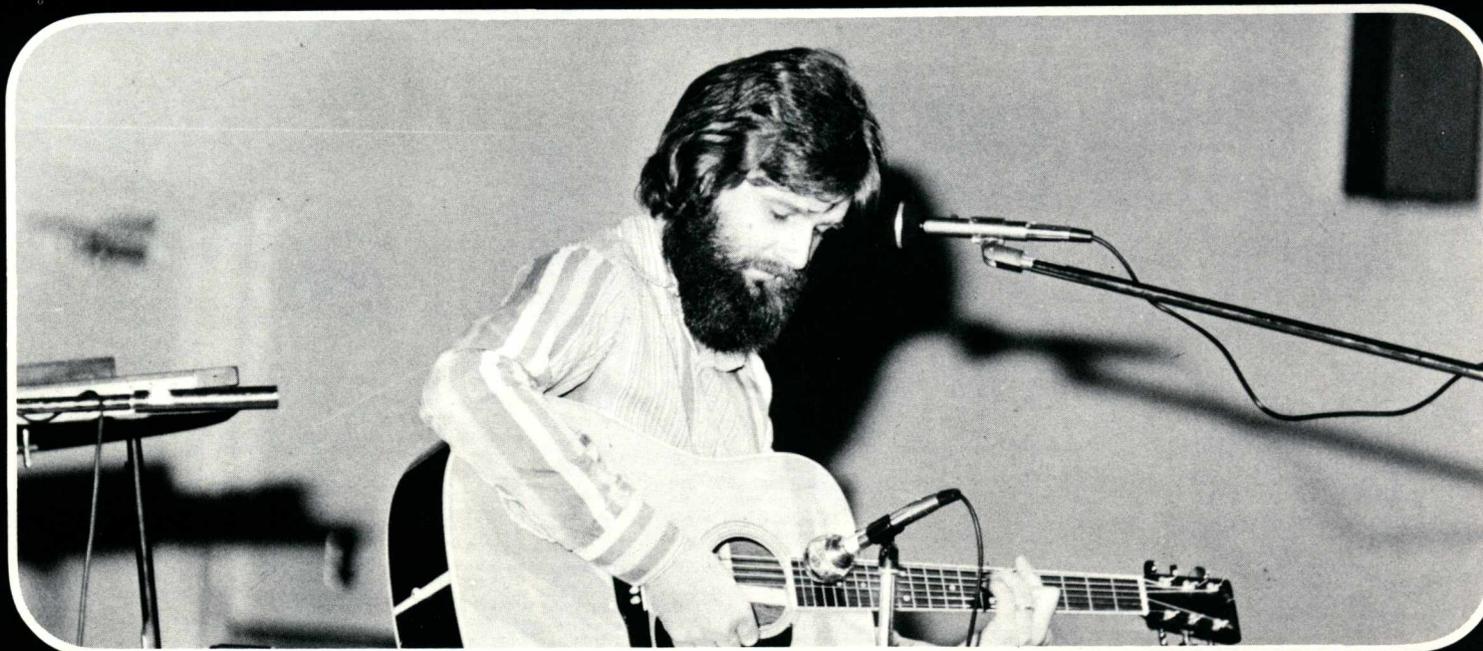

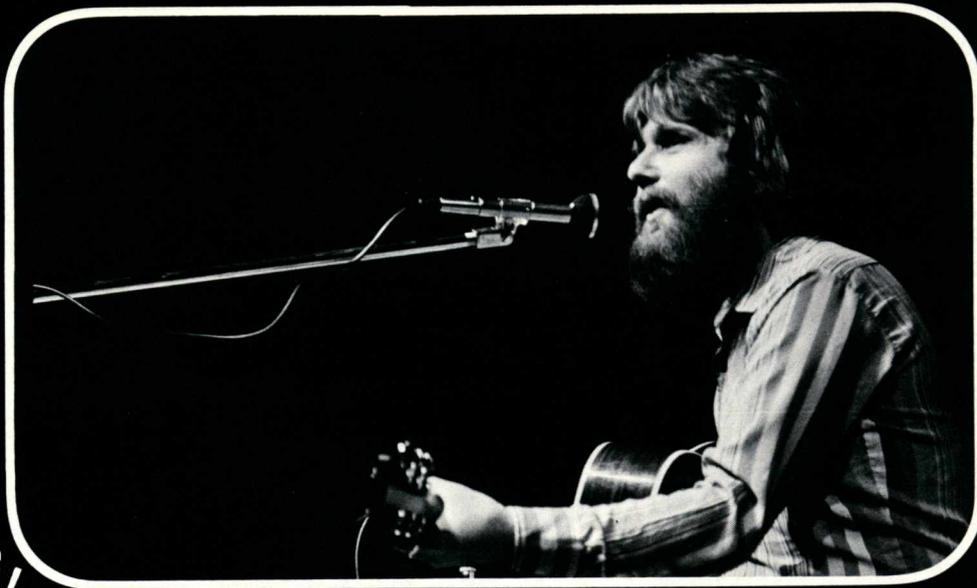

# A Packed House and "Truth"

On March 26 at 8:00 p.m. "Truth" gave a concert to a packed house, with people even sitting in the aisles, in the Science Lecture Hall. "Truth" is a 19-member touring musical group using singers, guitars, a brass section, drums, piano, and synthesizer. They gave a great concert and everyone is looking forward to hearing them again next year.

# Girard, Alone, Ministers to NNC

Chuck Girard was at NNC on April 23 in the Science Lecture Hall to give a concert. Accompanying himself on either the guitar or piano, Girard's music took on a more folk rock style. His message of how Jesus can change lives, though, transcended his music, and all who were there experienced a time of contemplative reflection and renewed joy in the Lord.

# Last Concert: The Gaithers

On May 10 the Gaithers, along with the Slaughters, arrived in their buses to perform in the NNC gymnasium that evening. The Gaithers write most of their own music and they gave a concert to over 1500 people that evening. The Gaithers' lives are testimonies for the Lord, and their concert was an uplift for everyone in attendance.

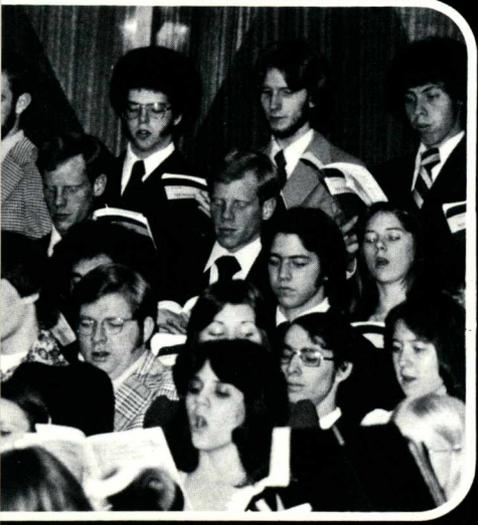

College Choir, directed by Dr. Marvin Stallcop, is the first year choir. It is a large choir of 70 to 80 people. They have two major concerts each year. They perform selections from the "Messiah" in the fall and they have a spring concert. They also sing in several chapel services. This year the "Messiah" was performed on November 28 in College Church of the Nazarene. They were assisted by a string ensemble, piano, organ, and soloists.

# College Concert Choir Performs "Messiah"

Crusader Choir is a sacred choir of 45 to 55 people. This choir sang in the Jester Har-riston concert last fall, in churches in Utah and Colorado during their annual tour and has also sang in many of the churches around the valley as well as Chapel services and Commencement. Crusader Choir plans to tour Europe for its third time in the summer of 1978. Dr. Marvin Bloomquist is the director.

# Northwesterners Tour the Orient

Northwesterners at Osaka Church of the Nazarene, Osaka, Japan.

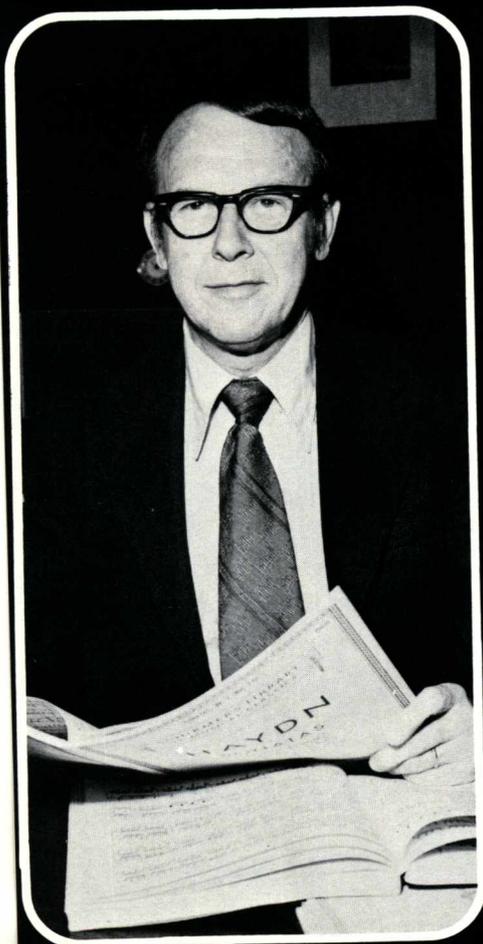

The Northwesterns is an ensemble singing group composed of approximately 16 members. They put on two major concerts each year, a Christmas Concert and a Spring Concert. This year the spring concert, "It's a Grand Night for Singing" featured selections from Fiddler on the Roof. They also perform in many churches, chapel services, and banquets. This year the Northwesterns went to the Orient for three weeks; going to the Philipines, Hong Kong, Taiwan, Osaka and Tokyo, Japan, and ending in Honolulu, Hawaii. They performed in churches, the City Concert Series in Hong Kong, and at Military Bases.

## Consort

Brass Ensemble is a small group of brass instruments directed by Dr. Jim Willis. They have presented one concert, played in several Chapel services, and went on tour during Easter vacation. Concert Band presented a concert last fall, and the Consort assisted the String Ensemble (picture not available) in a concert last winter. Men's Chorus, directed by Dr. Marvin Stallcop, assisted College Choir in their Spring Concert, and have sang in several Chapel services.

These musical groups add a great deal to our musical program.

## Special Music: Student Recitals

A highlight of this year were the many excellent recitals by our students. There were many recitals and they were all well done. There was also a wide variety, ranging from a voice recital by Carlton Harvey to a clarinet recital by Chuck Woodworth to piano recitals by Walden Hughes and Monica Hoyle. These recitals were definitely a fine addition to our list of activities.

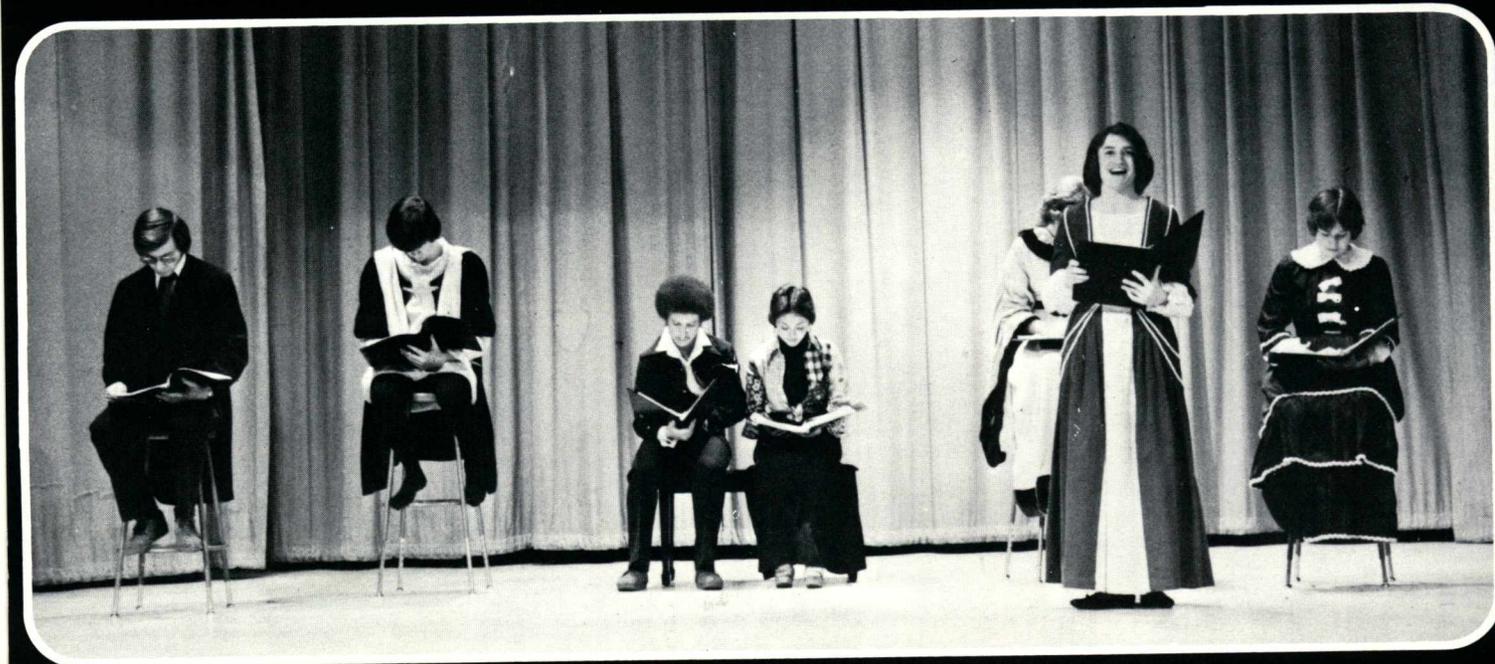

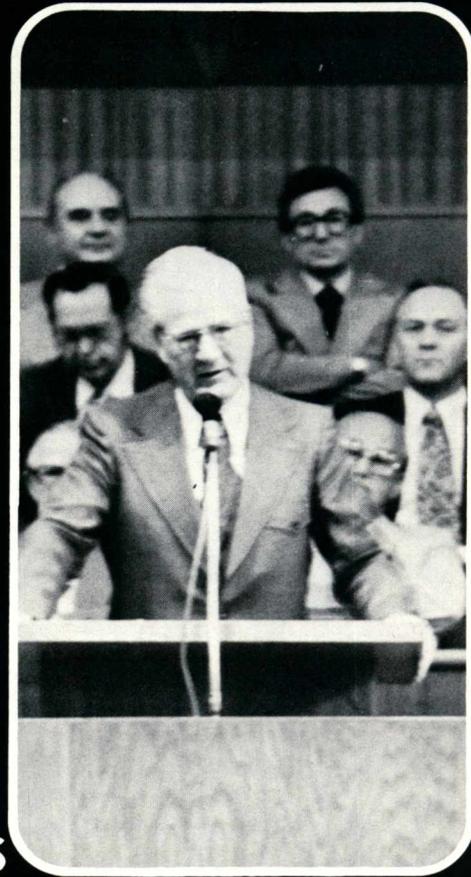

## "Love Is Where You Find It" — Reader's Theatre

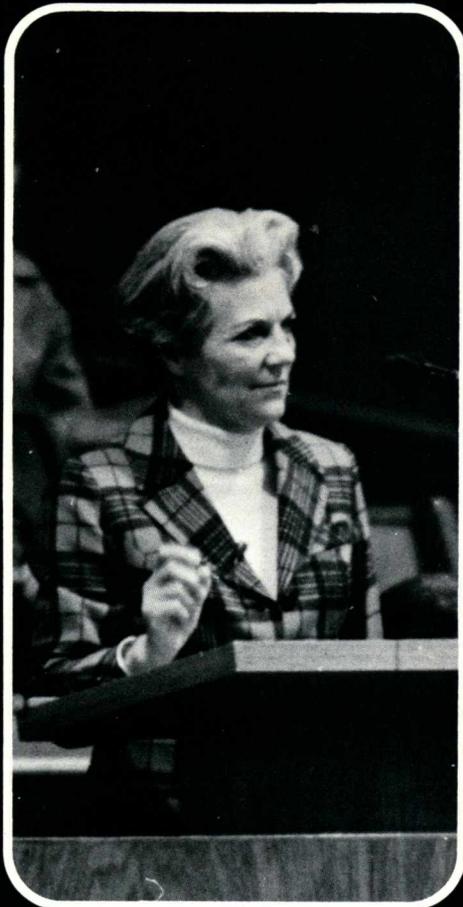

"Love Is Where You Find It" was the name of the program Reader's Theatre put on February 10 at 8:00 pm in the Science Lecture Hall. This program, in honor of the upcoming Valentine's Day, featured material from Shakespeare to Ogden Nash. It was a very pleasurable evening.

## Junior-Senior Retreat Spent in Mountains Over Easter

Junior-Senior Retreat, April 8-11, was held in a camp 14 miles above Sun Valley, Idaho. This retreat was meant as a time of relaxation and reflection before the big rush the last month of school for the Seniors. It proved to be just that, except for some time taken out to put out a range fire, with Dr. Morris Weigelt speaking to us on Christian living. It was an enjoyable time for the more than 100 Juniors and Seniors who attended. The Juniors did a very fine job putting together this retreat, with a special thanks going to Robin Bellamy and Bill Powers.

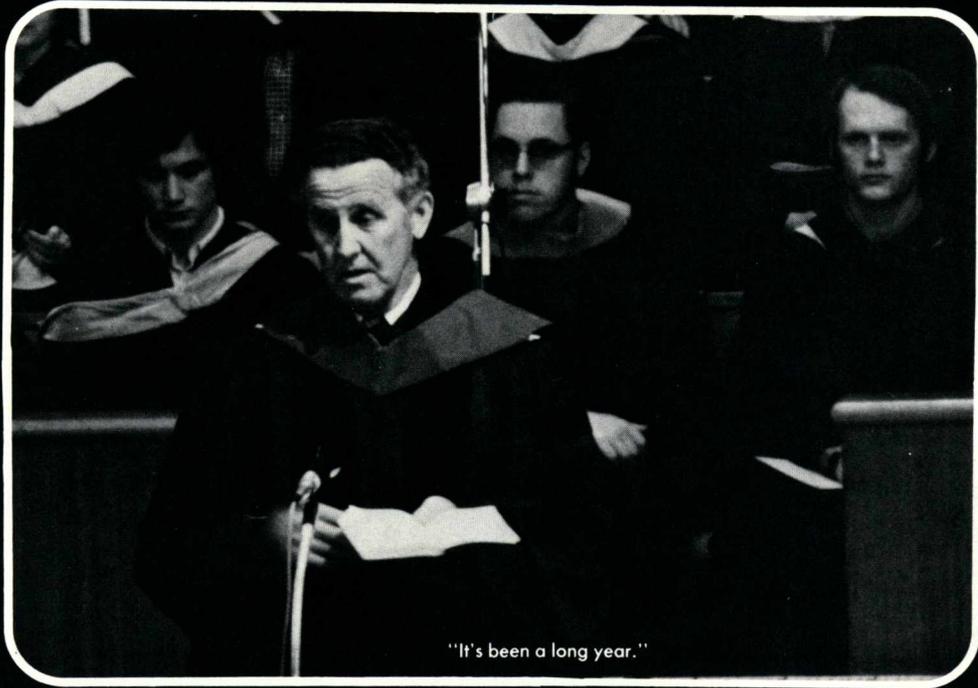

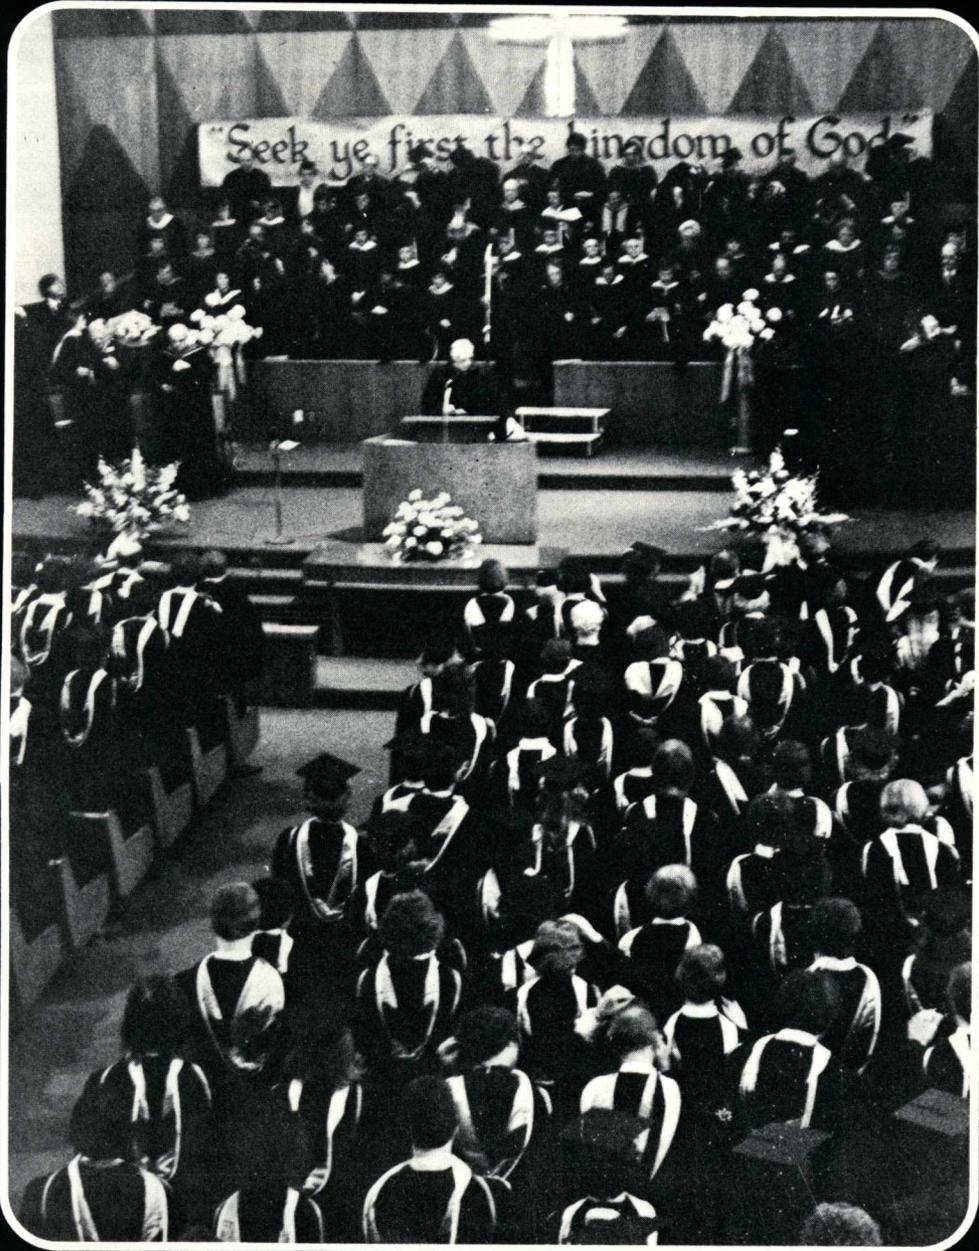

## Graduation Banquet

The Graduation Banquet was held May 14 in the Saga Dining Room. Roast Beef and Chicken were the main courses for over 650 people. Dr. Joseph Mayfield was the speaker for the evening.

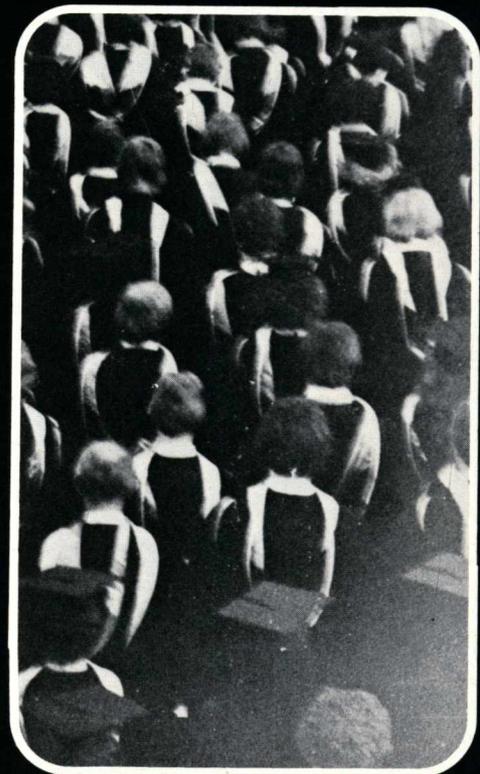

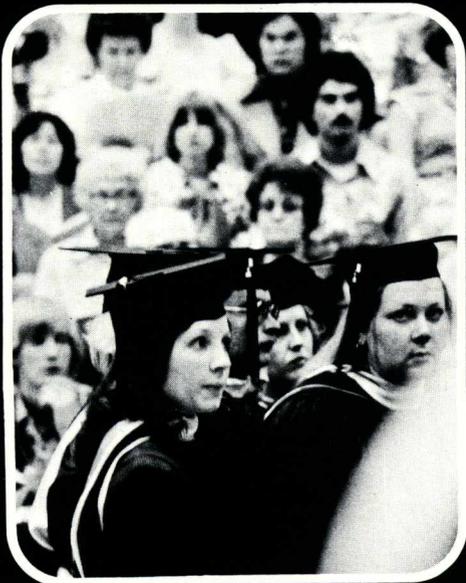

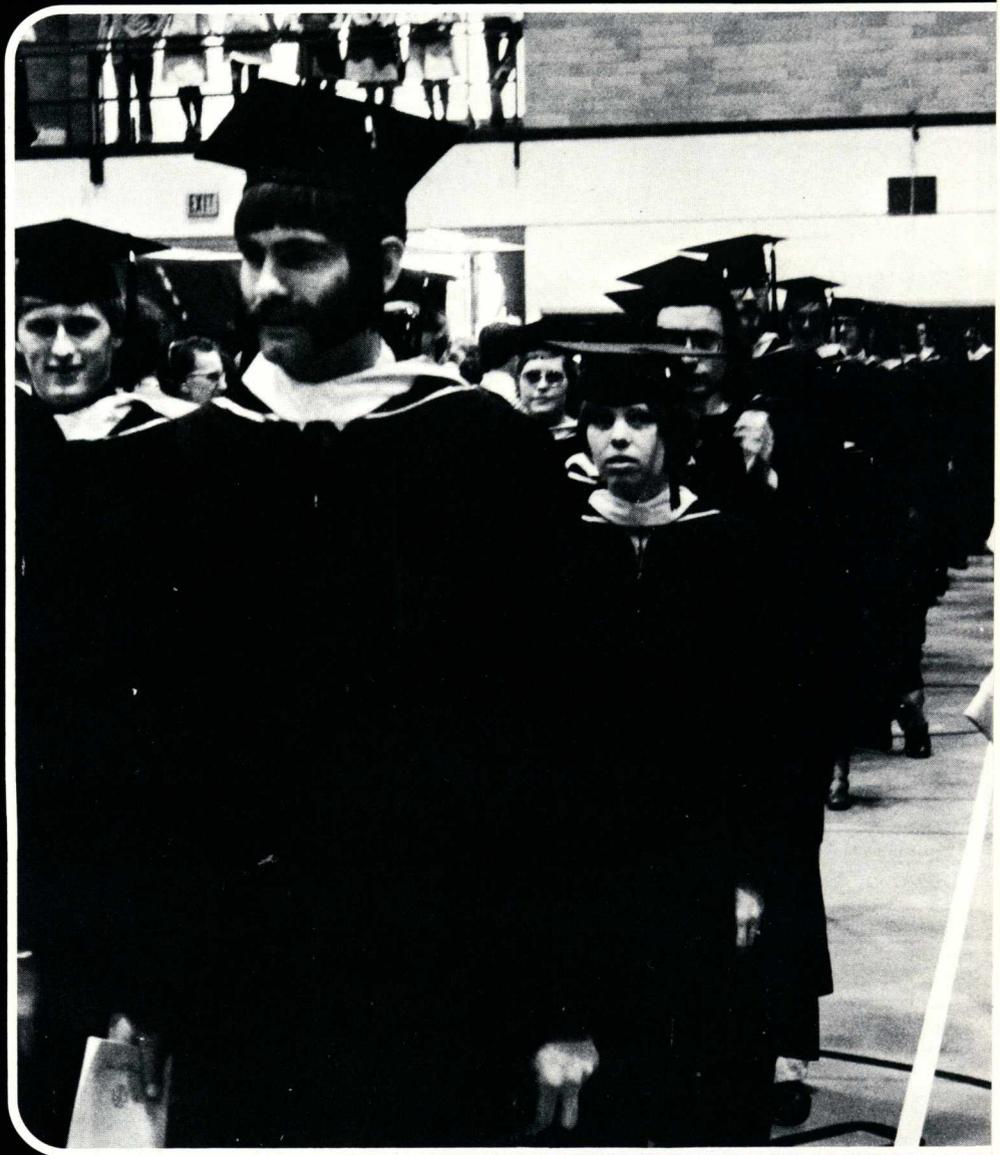

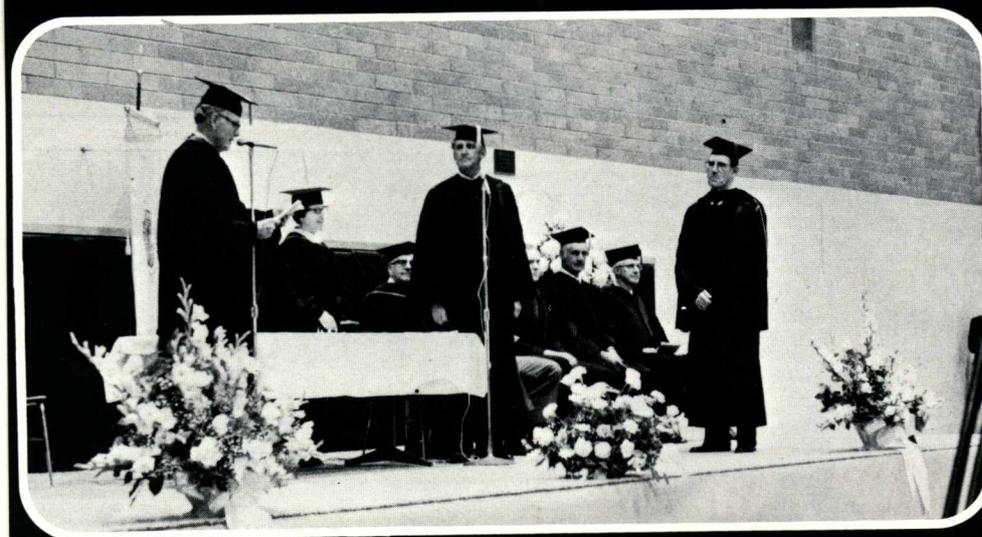

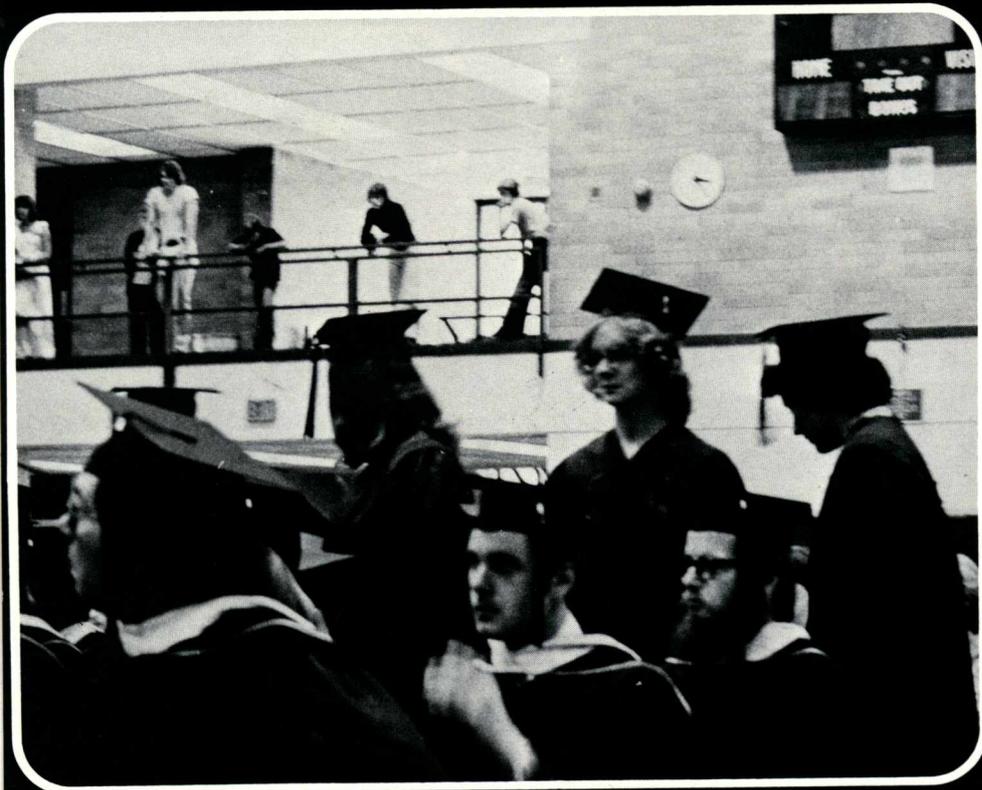

"It's been a long year."

## Baccalaureate

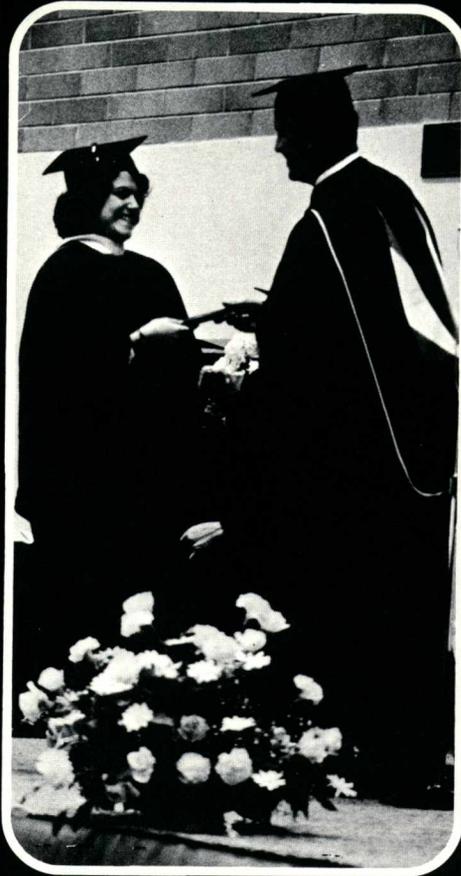

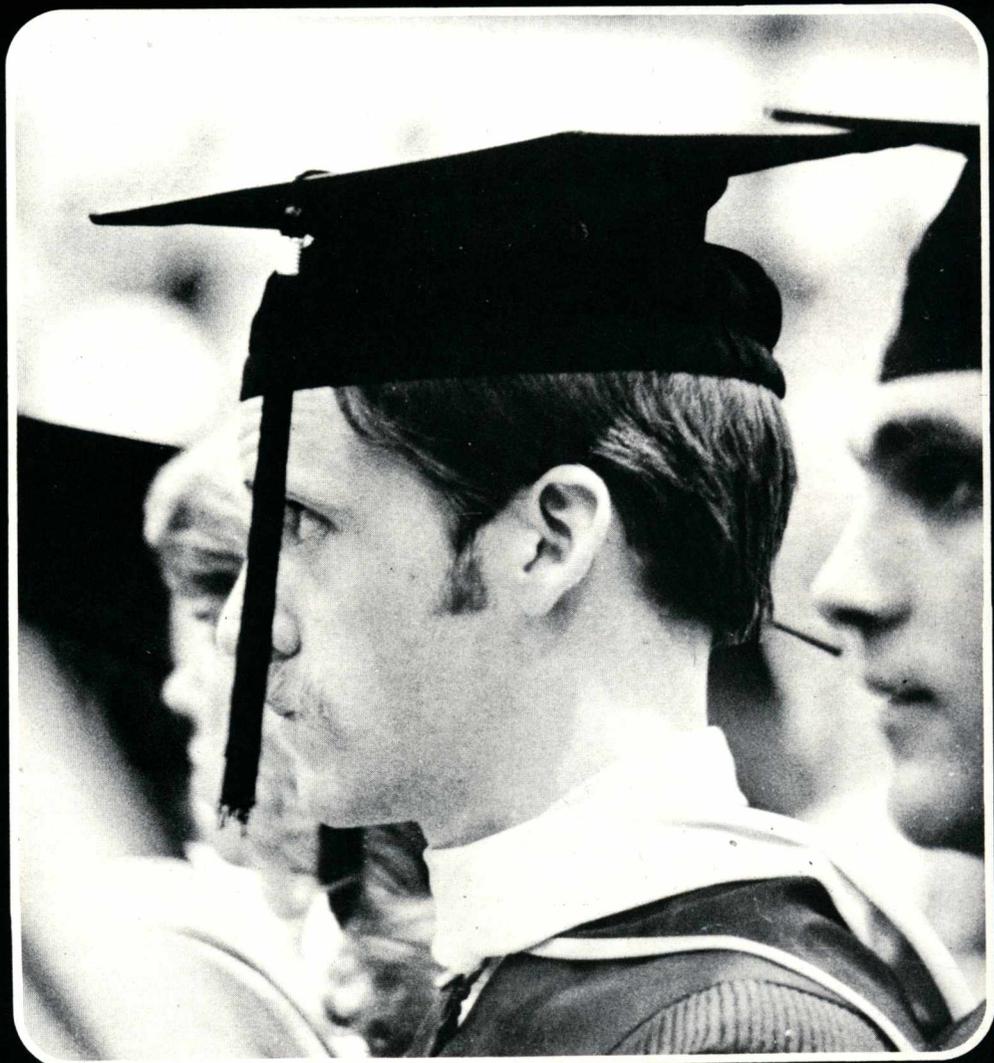

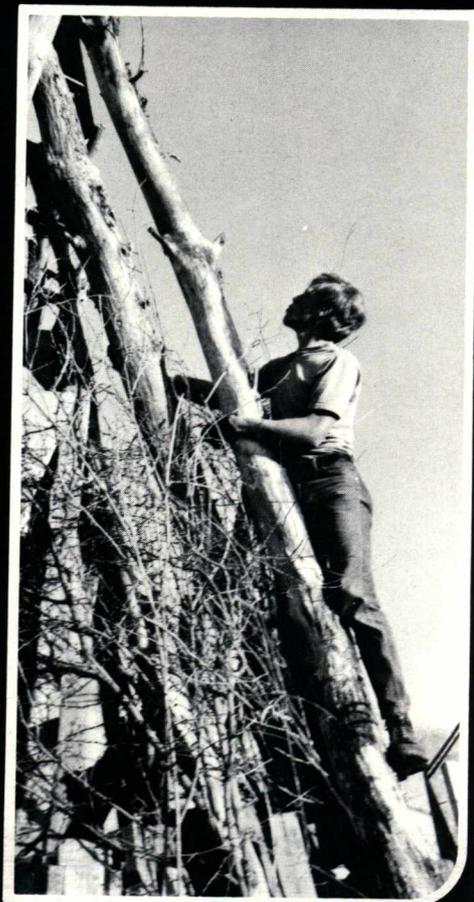

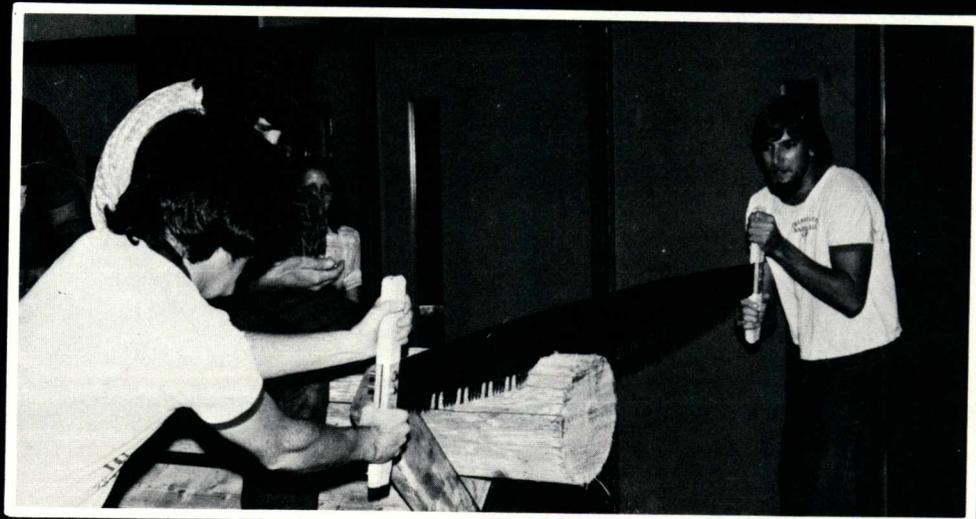

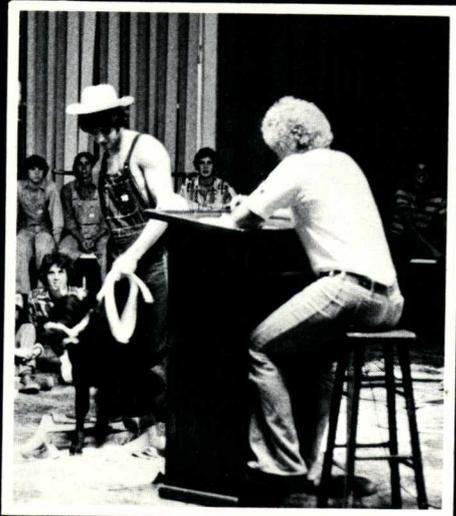

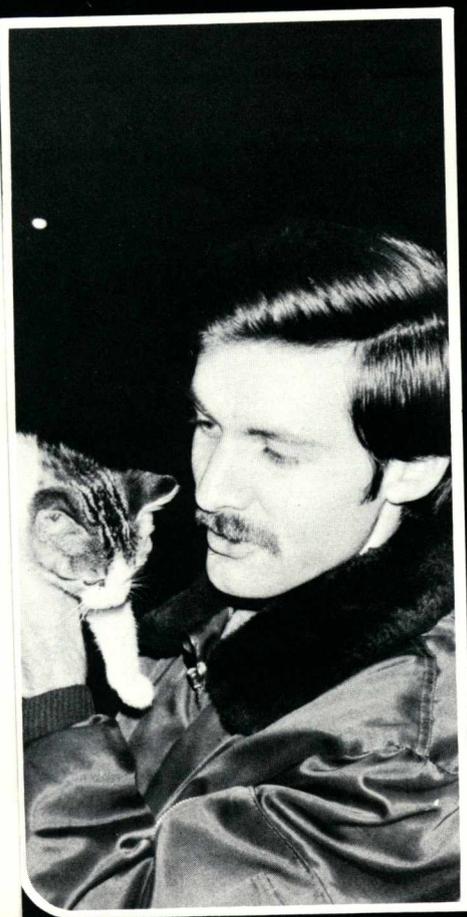

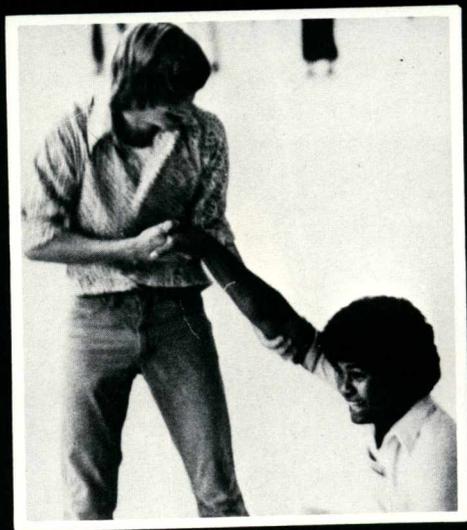

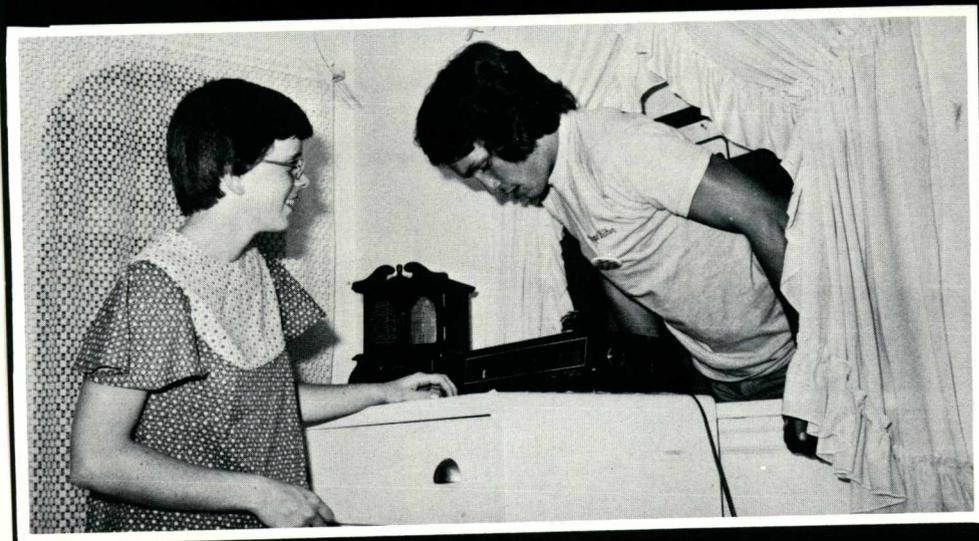

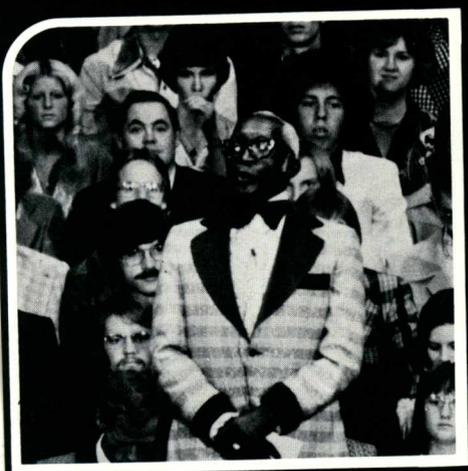

## Commencement 1977

Baccalaureate and Commencement 1977 were on May 15 at 11:00 a.m. and 3:00 p.m., respectively. Dr. Kenneth Pearsall spoke in College Church for Baccalaureate. At 3:00 the Seniors became graduates as they walked across the platform, shook Dr. Pearsall's hand, and received their diploma. Crusader Choir sang, and Dr. Percival Wesche and Dr. Joseph Mayfield received honorary citations as they are retiring this year. This time was a mixture of extreme joy and sadness for Seniors as well as other students who would be losing good friends to the outside world. The Commencement exercises were very fine.

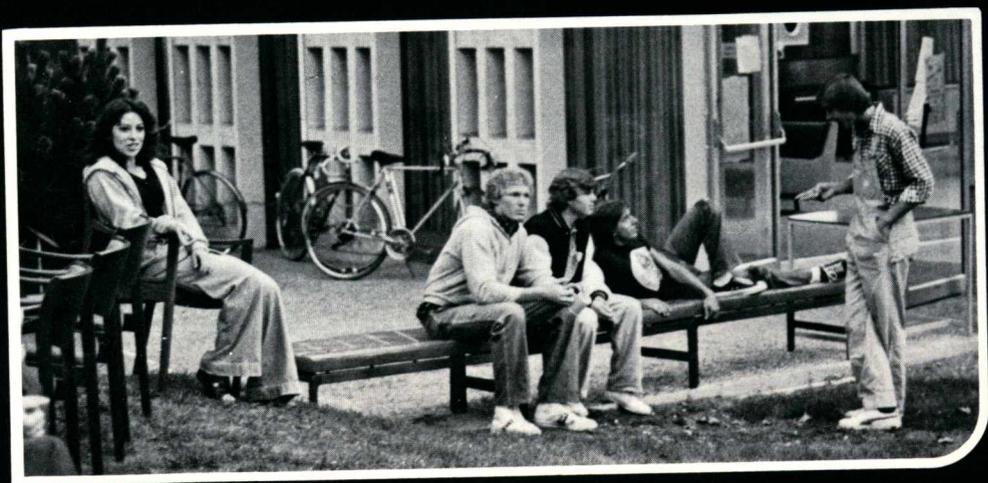

So ends another year of our lives as students. Pictured in this section are just some of the things that made our year, as students, more exciting and interesting. It was a good year.

## Crusaders Set New Records

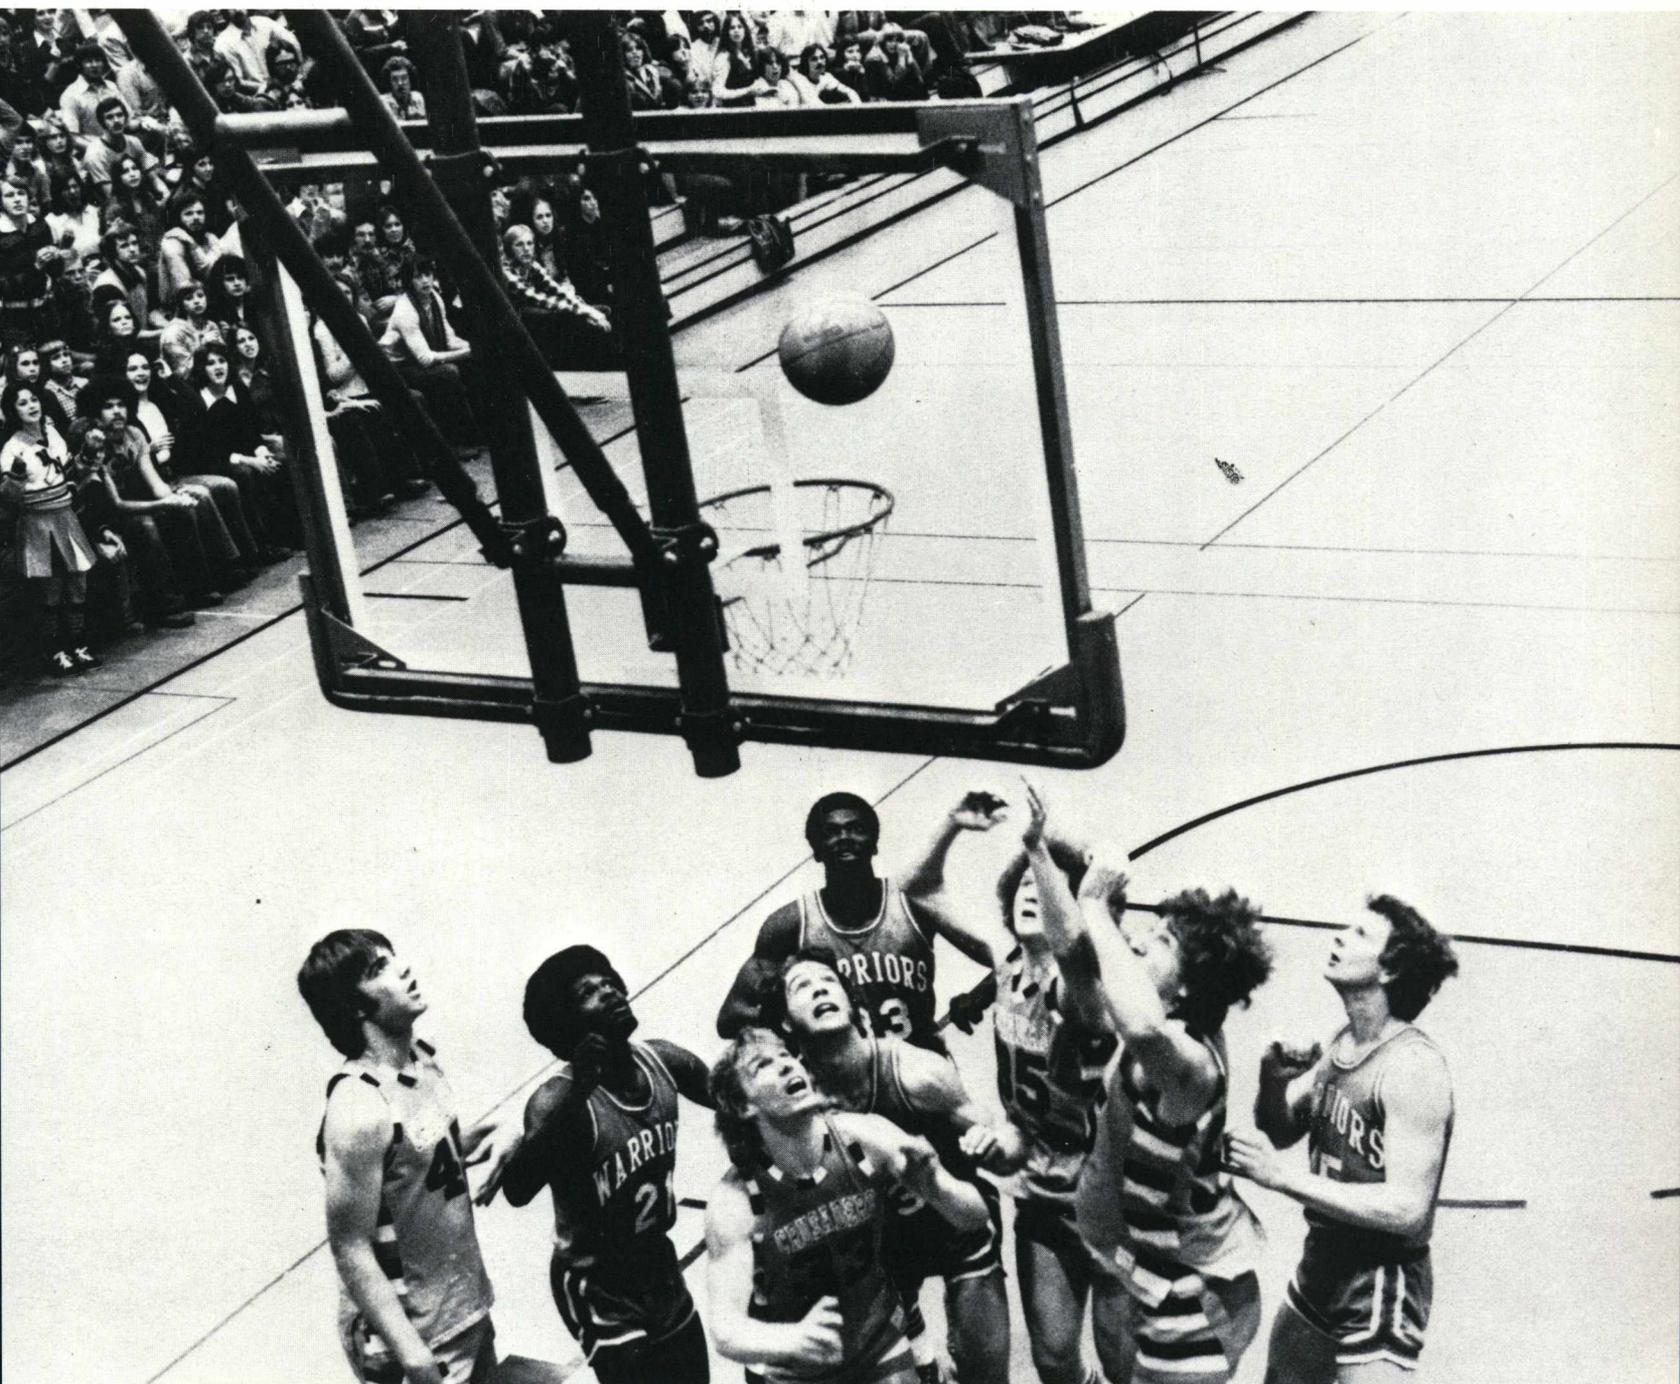

The Crusader roundballers concluded the long season with a win over Warner Pacific on Tuesday, February 22. This victory brought the season record to 17 wins, 11 losses. The Crusaders started the season and finished 1976 with a 12-1 record, but the new year was not quite so kind, and the Crusaders lost 10 of their last 15 games. Although the team seemed to falter somewhat in the latter portion of the season several new records were set. 6'8" freshman, Jeff Di Bene set a new NNC Field goal percentage with a 54.7, the record was previously held by Joe Martinez who captured the record during the 1974-75 season. The Crusaders also managed more victories than any NNC team since 1969.

# Overview of Season — Successful

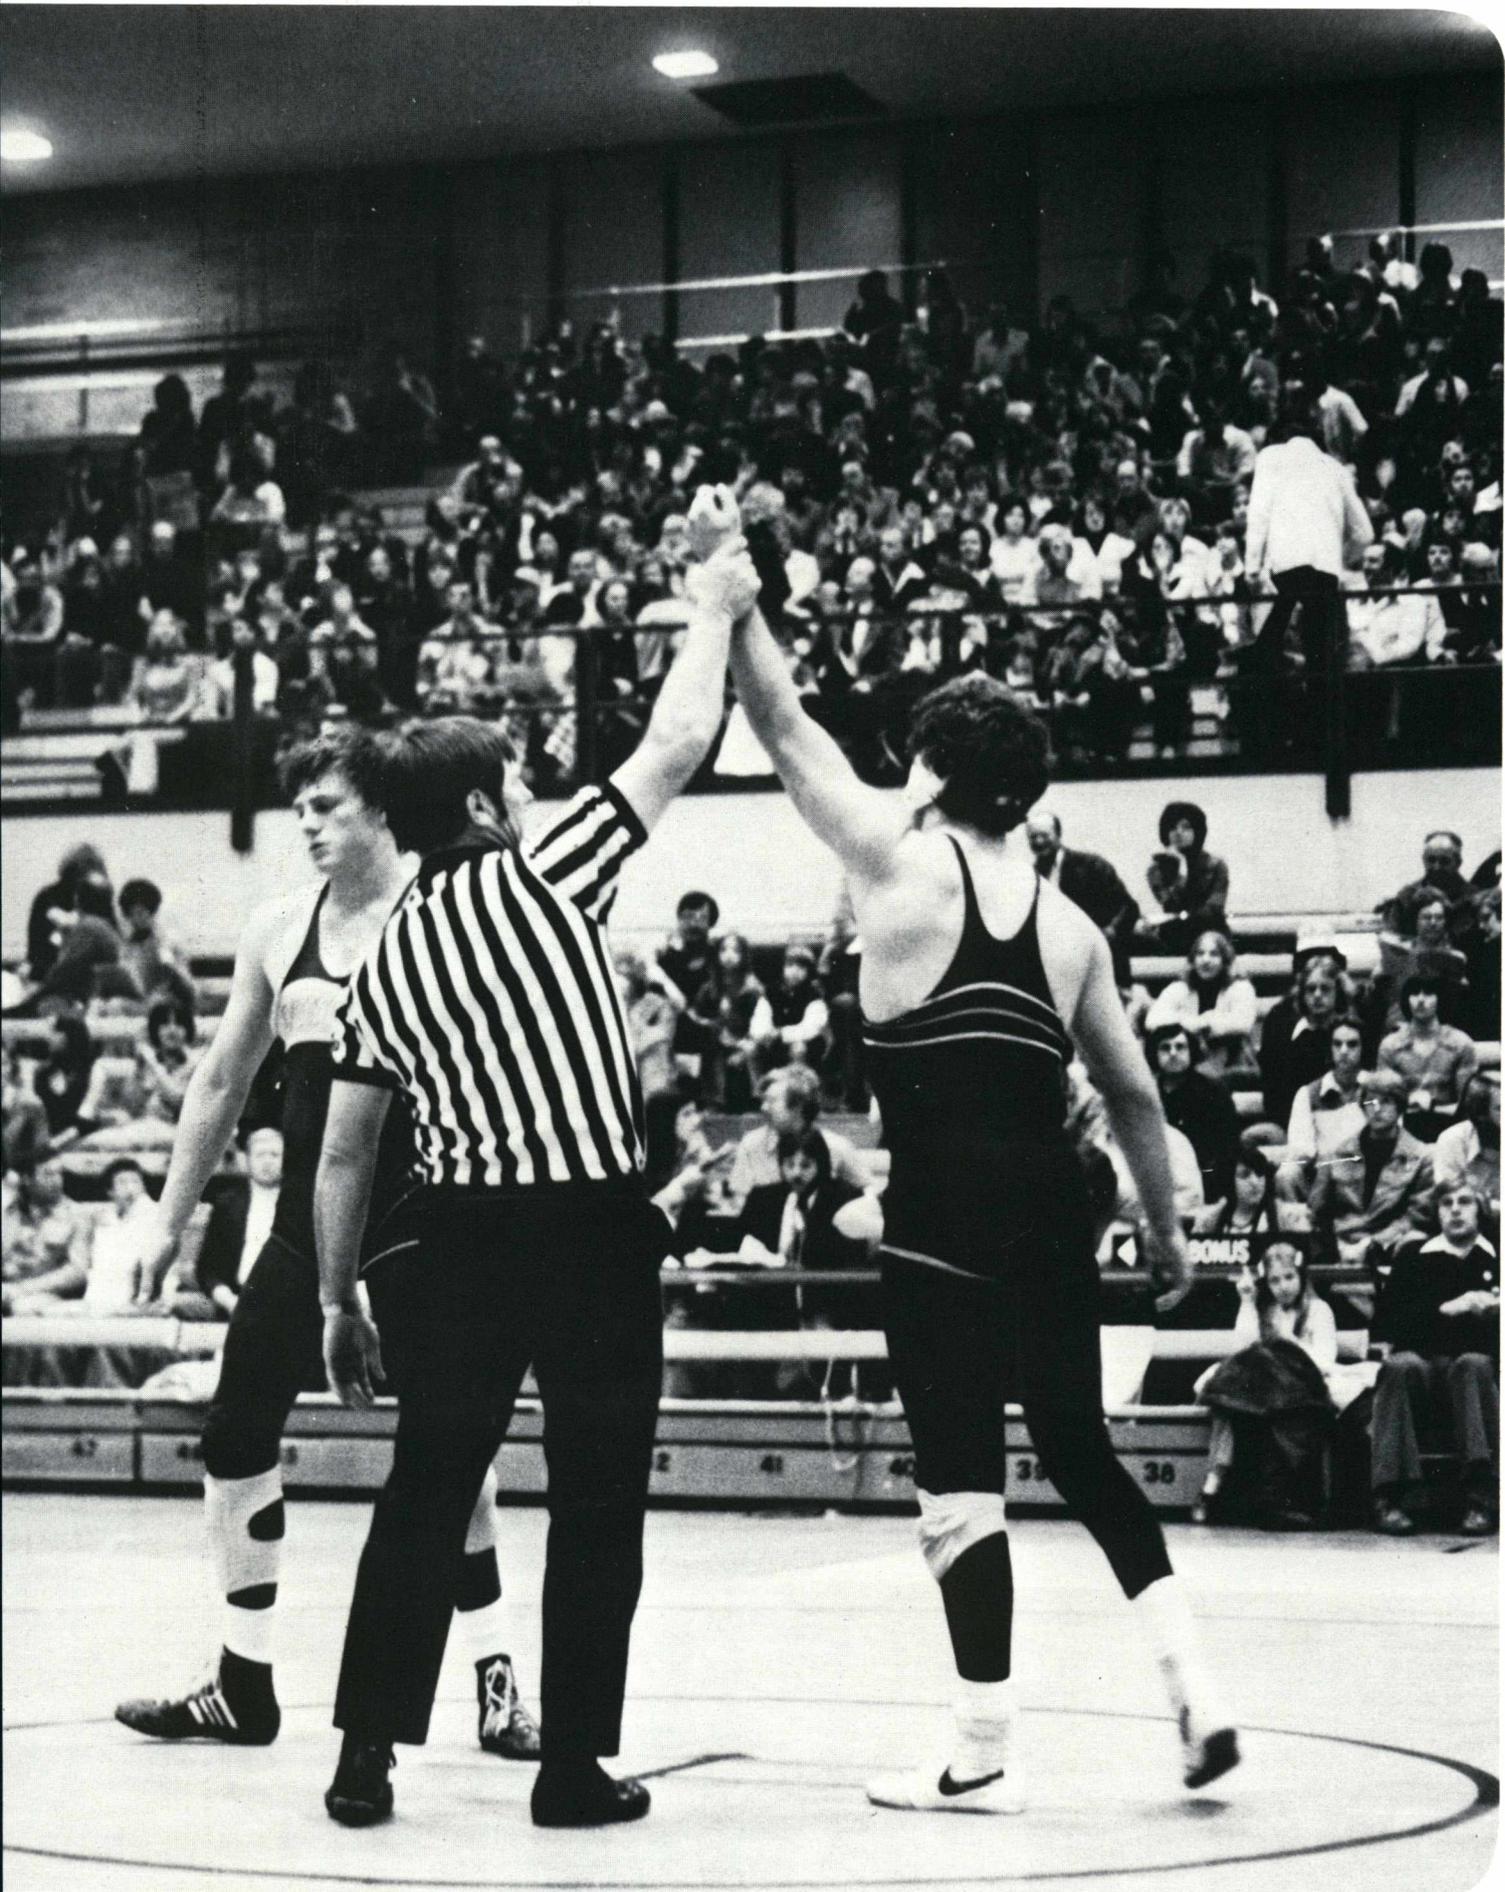

In view of the goals which were set at the beginning of the season, the year was a success. The JV team is an organization for inexperienced players, injured varsity players who need a time to recuperate, and for anyone who wants to play collegiate basketball not being on the Varsity team. The young team gained much experience and had some bright moments, especially on offense when a good team effort brought down a score of 107 points one game.

# Wrestlers Uphold Winning Tradition

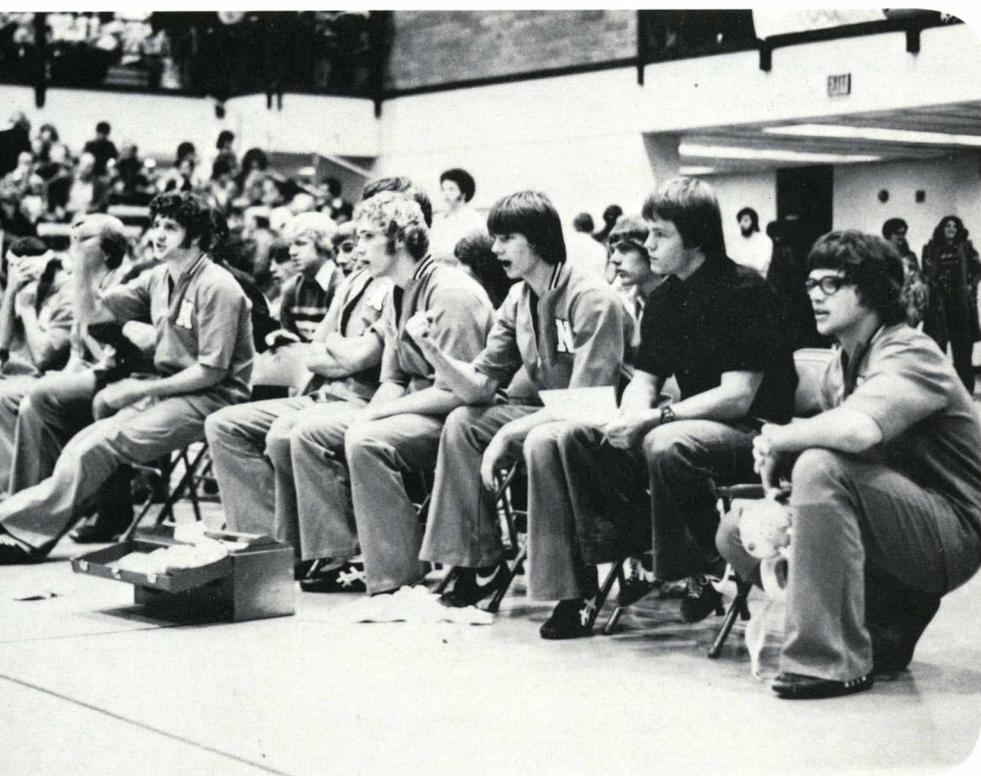

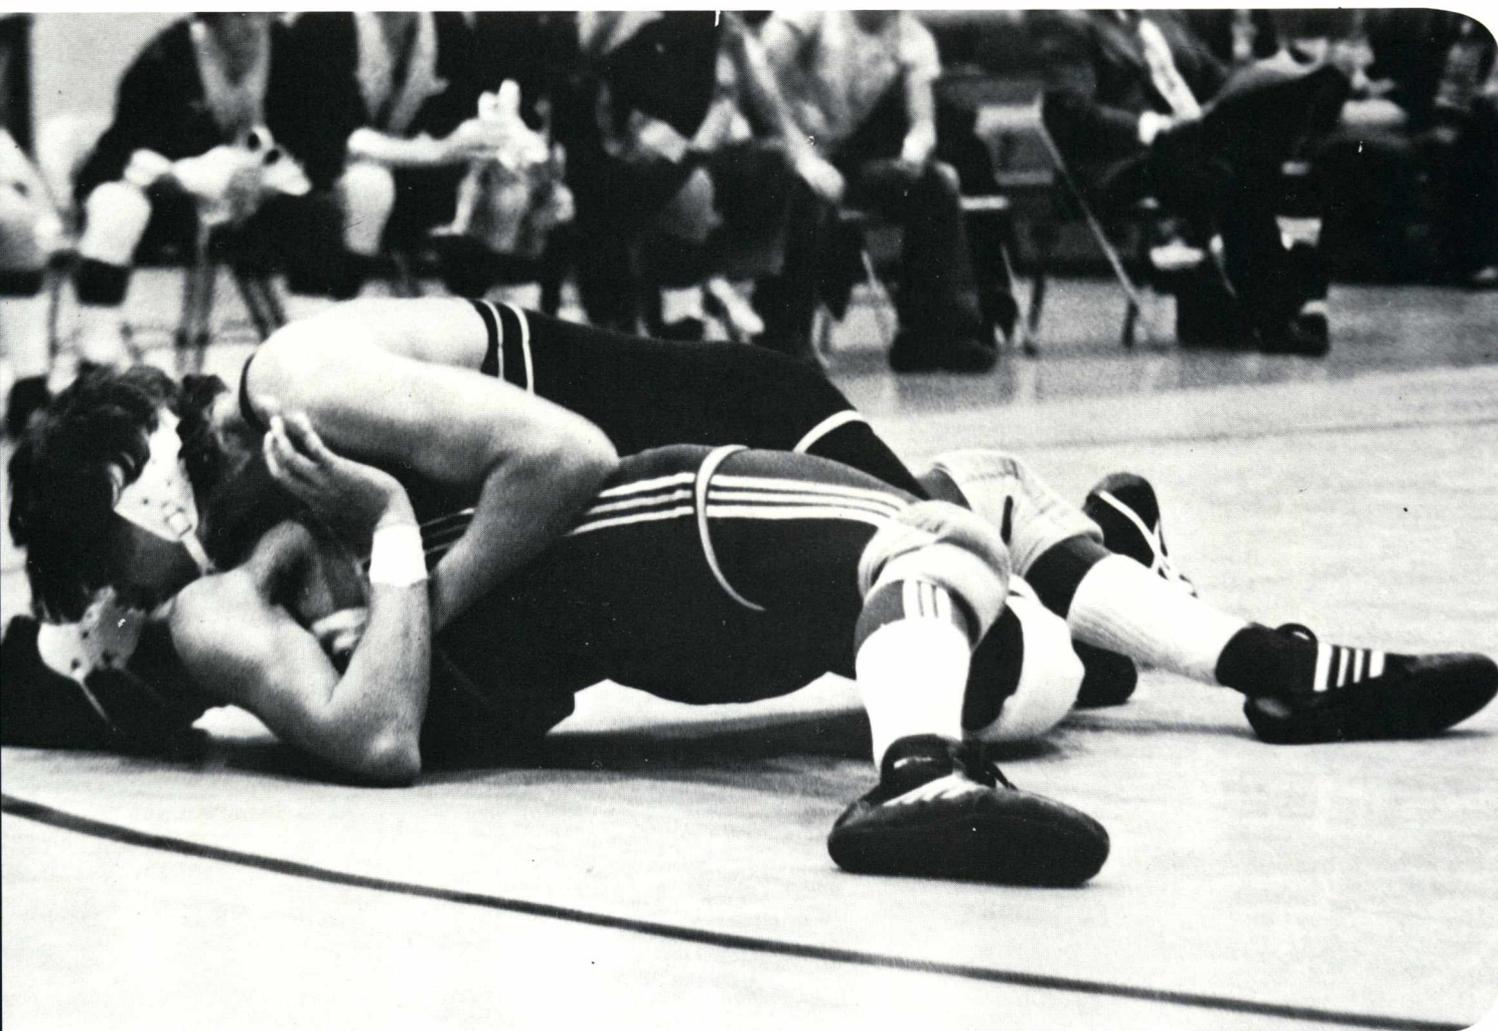

# Crusaders Are Willamette U. Tournament Champions

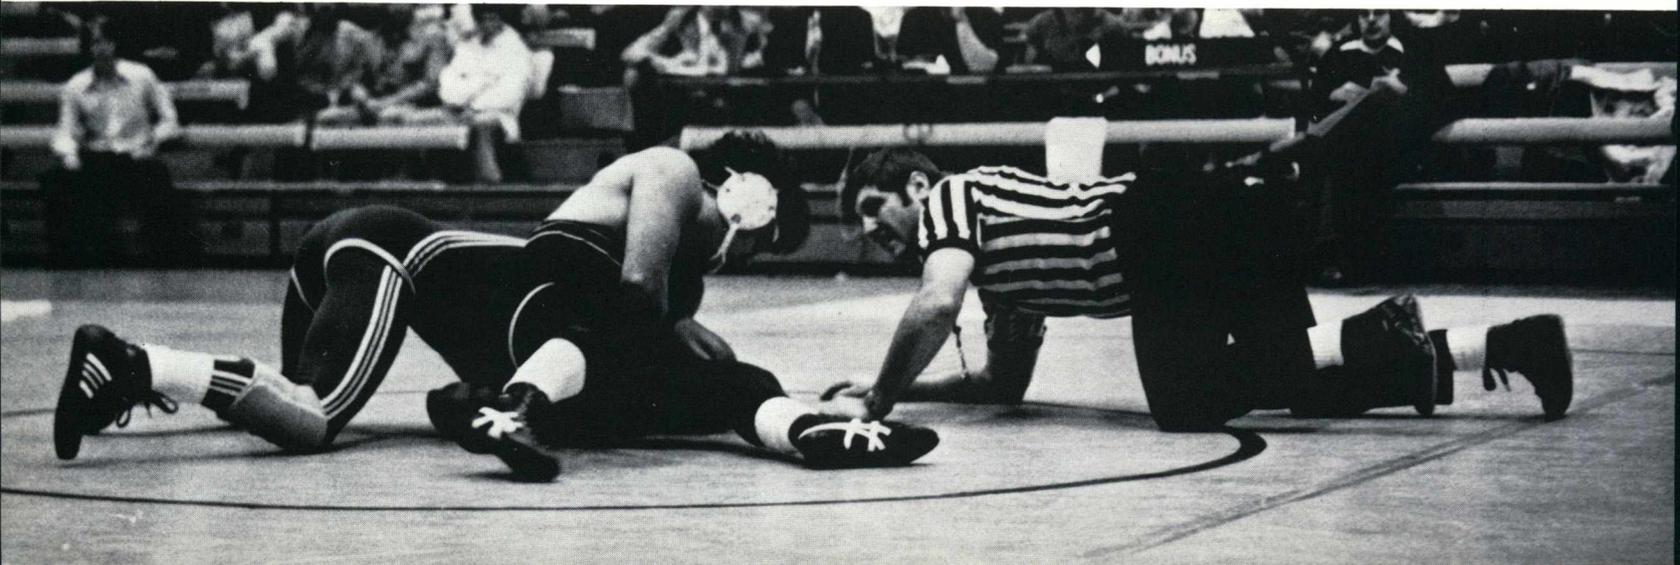

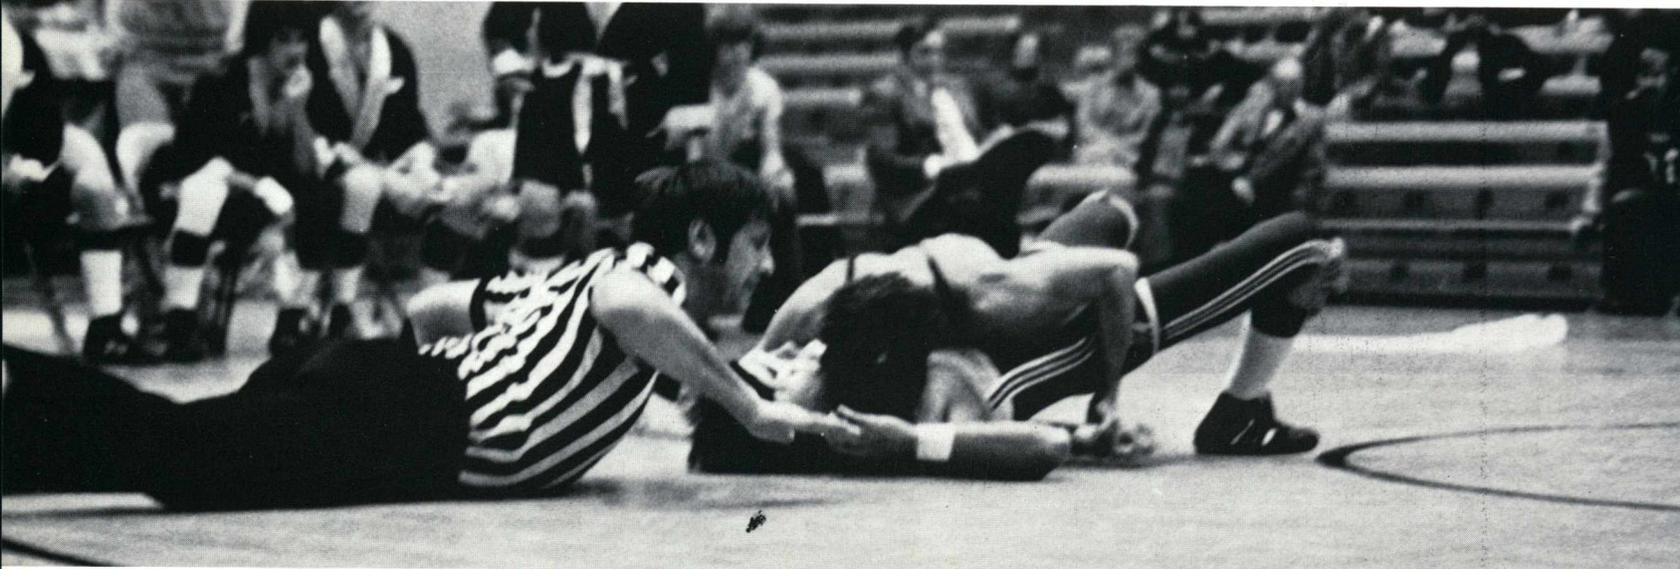

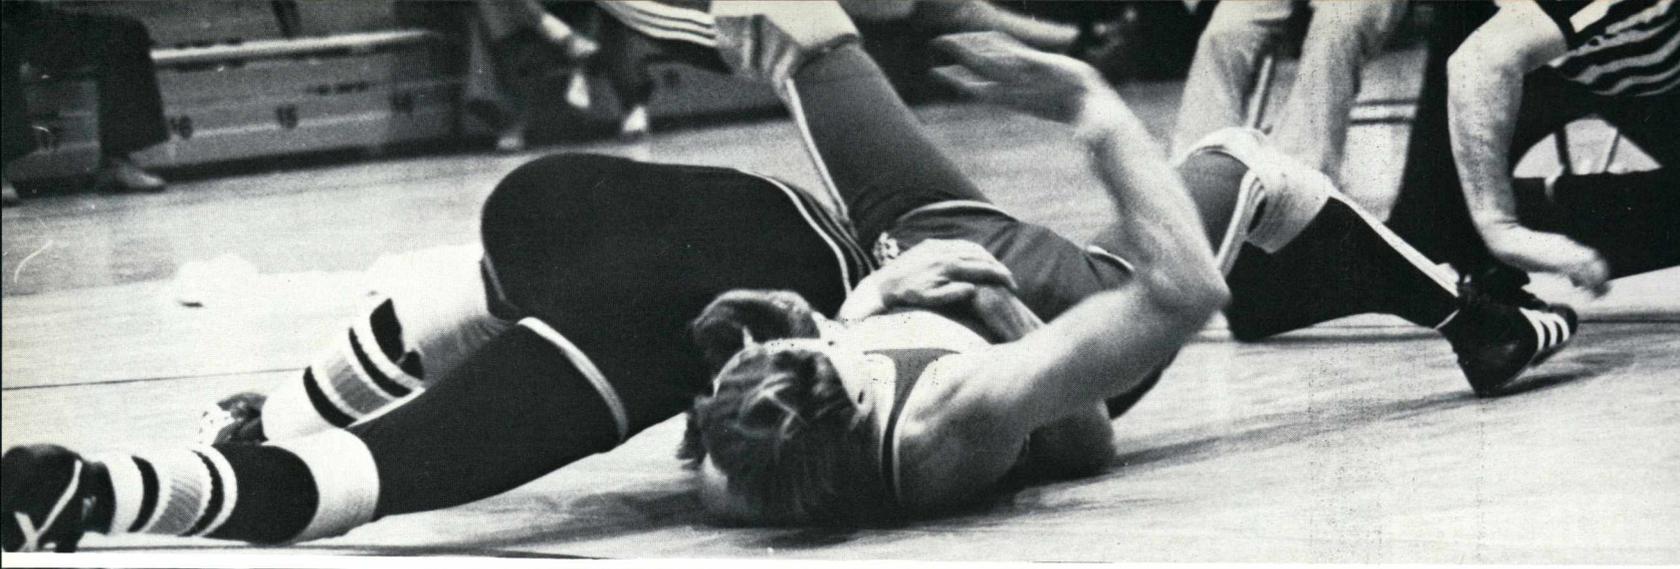

# Grapplers End Season 7-2

Having accumulated a record of 7 wins and 2 losses in dual meet competition, the NNC wrestlers concluded what would have to be one of their very finest seasons. The high point of the season was the first place finish at the Willamette University Invitational Tournament where the team collected 163 points to the second place team's 91 points. Thirteen out of the fifteen wrestlers placed.

## Soccer Team Dribbles Through Opponents

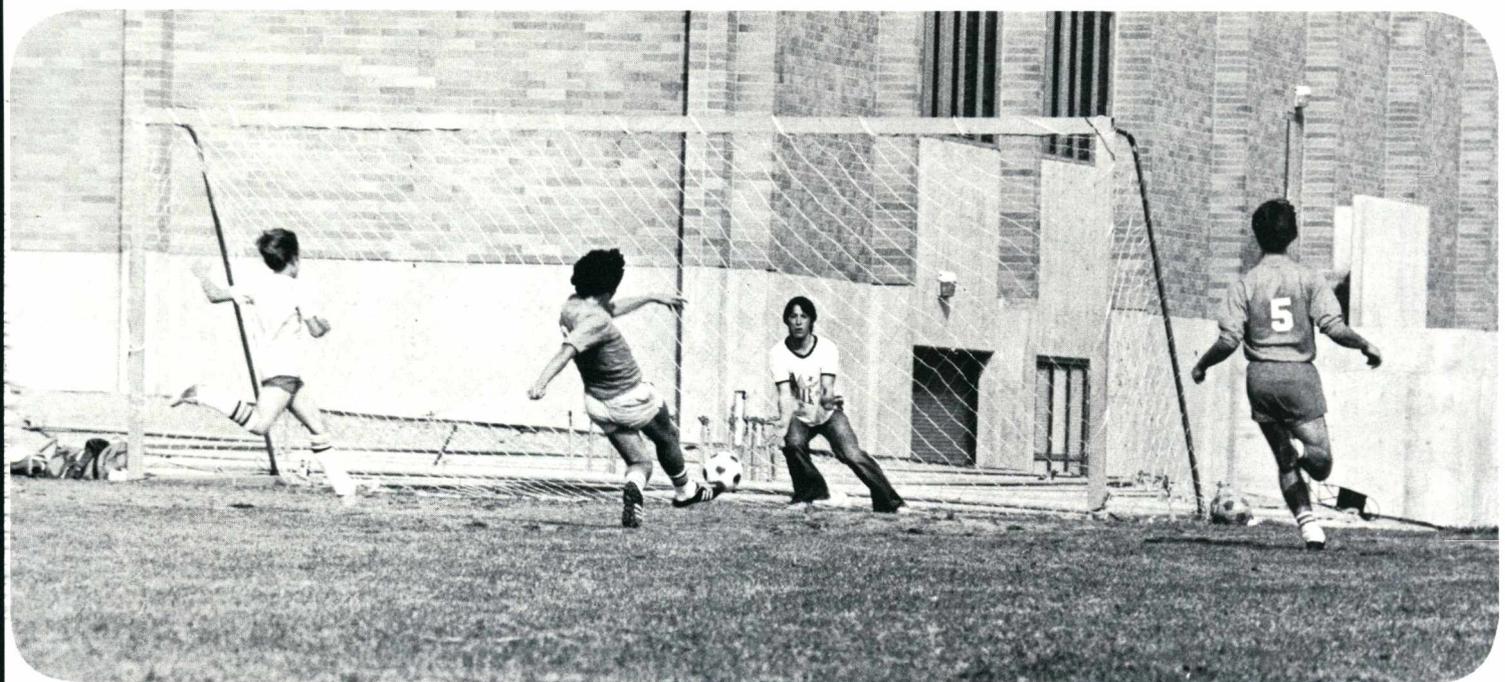

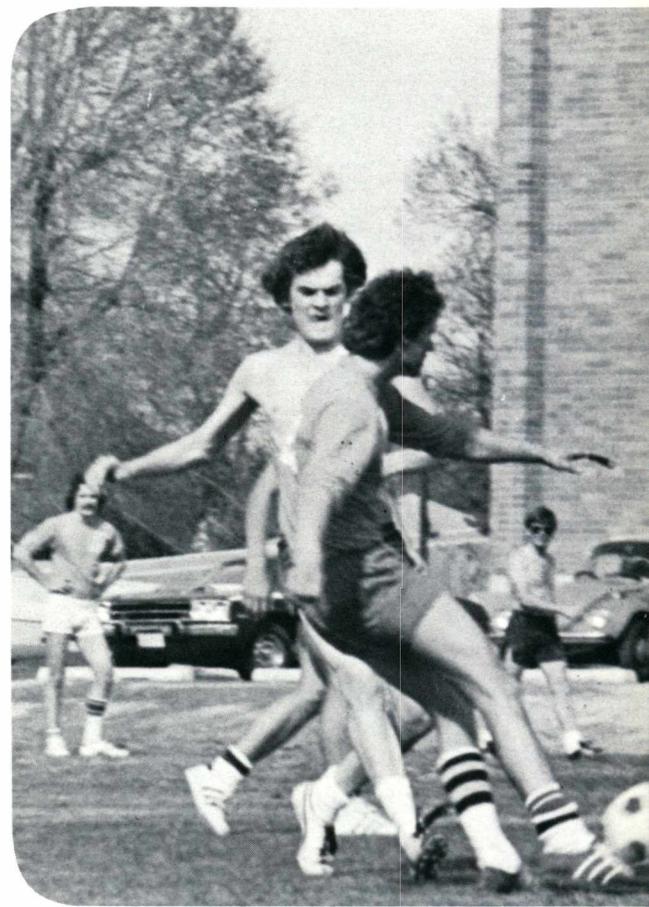

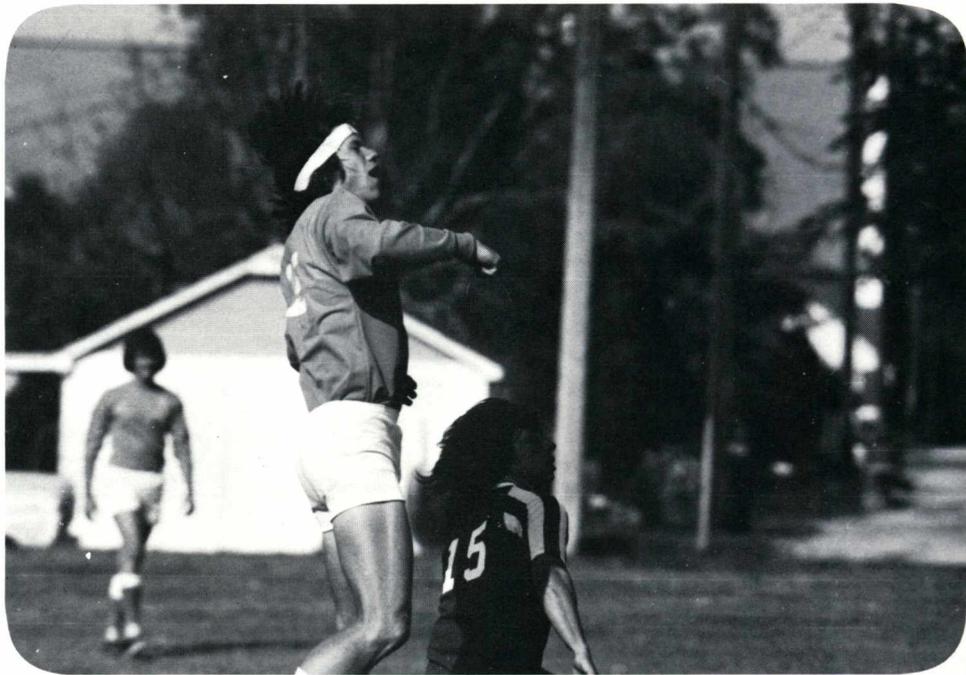

The Crusader kickers bounced through a successful season by finishing second. NNC finished the season by kicking C of I all over the field to win finally 12-1. At the beginning of the season the team was rated among the top two teams in the Treasure Valley, along with BSU, which the Crusaders put down 6-0. The American Union team edged out team by just one goal.

Although spring in Nampa has not been what you could call delightful, the men's track and field team has turned in some strong performances. Two new school records have been established. They are — 440 yard dash by Tim Gilbert with a time of 49.1 and Alan Tegethoff's 205' throw of the javelin. Overall the team did a good job.

The tennis team went through a pretty tough schedule and took it pretty well. Last word heard, everyone survived and plans on turning out next year. What they lacked in skill they made up in enthusiasm and courage. Most outstanding player of the season was Rex Wardlaw and the most improved was Mark Akers. With many returning lettermen the team should be improved.

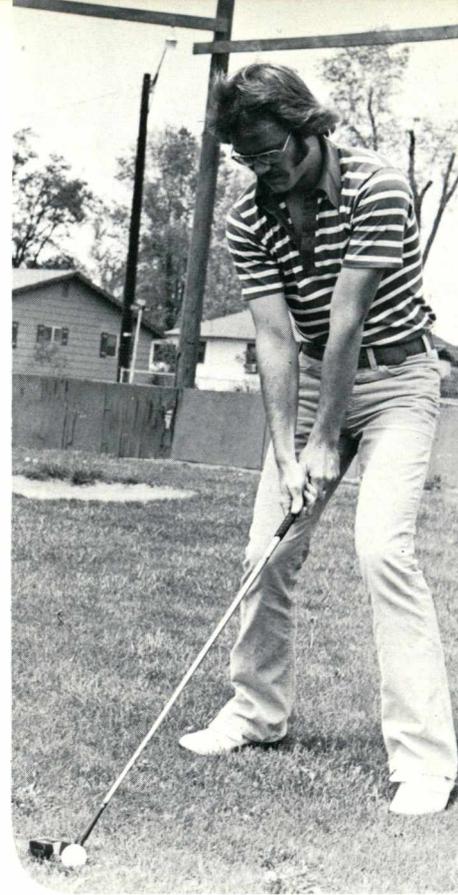

# Golf Team Collects Some Birdies and Boogies

The NNC golf team had what you might call its ups and downs this spring. Nearly every golfer would shoot excellent golf nine out of the 18 holes, but somehow just could not remain consistent throughout the entire match. However, most golfers improved on their personal best round and established the following season averages:

Greg Bullock	79.8
Mike Johnson	80.9
Ron Slovic	81.6
Jeff Bell	82.3
Frank Best	83.8
Carl Cady	85.0
Dave Shelton	90.5

# Hockey Gals Enter Big Leagues

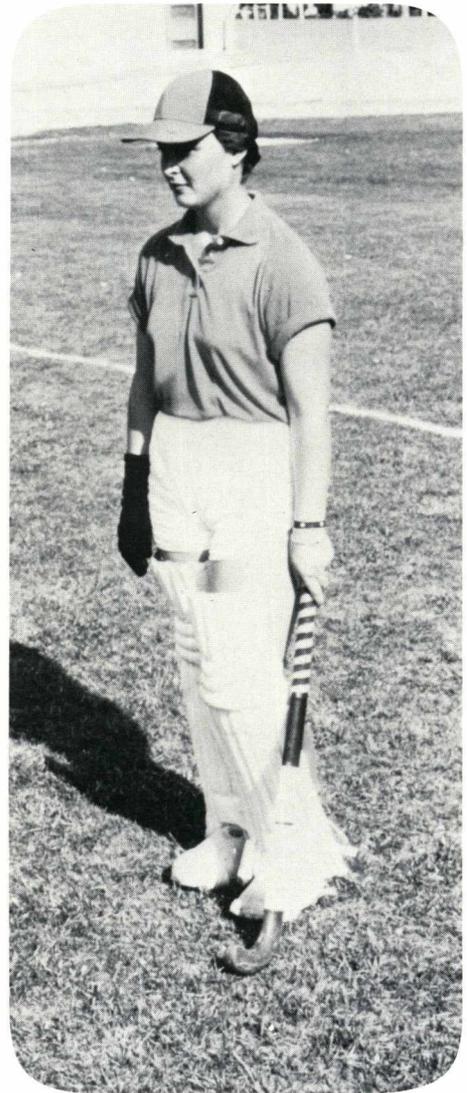

Although a record of 7 wins, 2 ties, and 8 losses does not reflect the closeness of its many games, the NNC field hockey team proved that it could compete with some of the largest universities in the northwest. Competition against the likes of the University of Oregon, Oregon State, Washington State, Brigham Young, and Boise State Universities was keen all season long. Crusader Brenda Ryska who provided much of the scoring punch for the team accumulated one more goal than did all the competition put together. Coach Jean Horwood is pleased with her gal's performances, and is looking forward to next year when all of her players will have more experience in intercollegiate competition.

Season

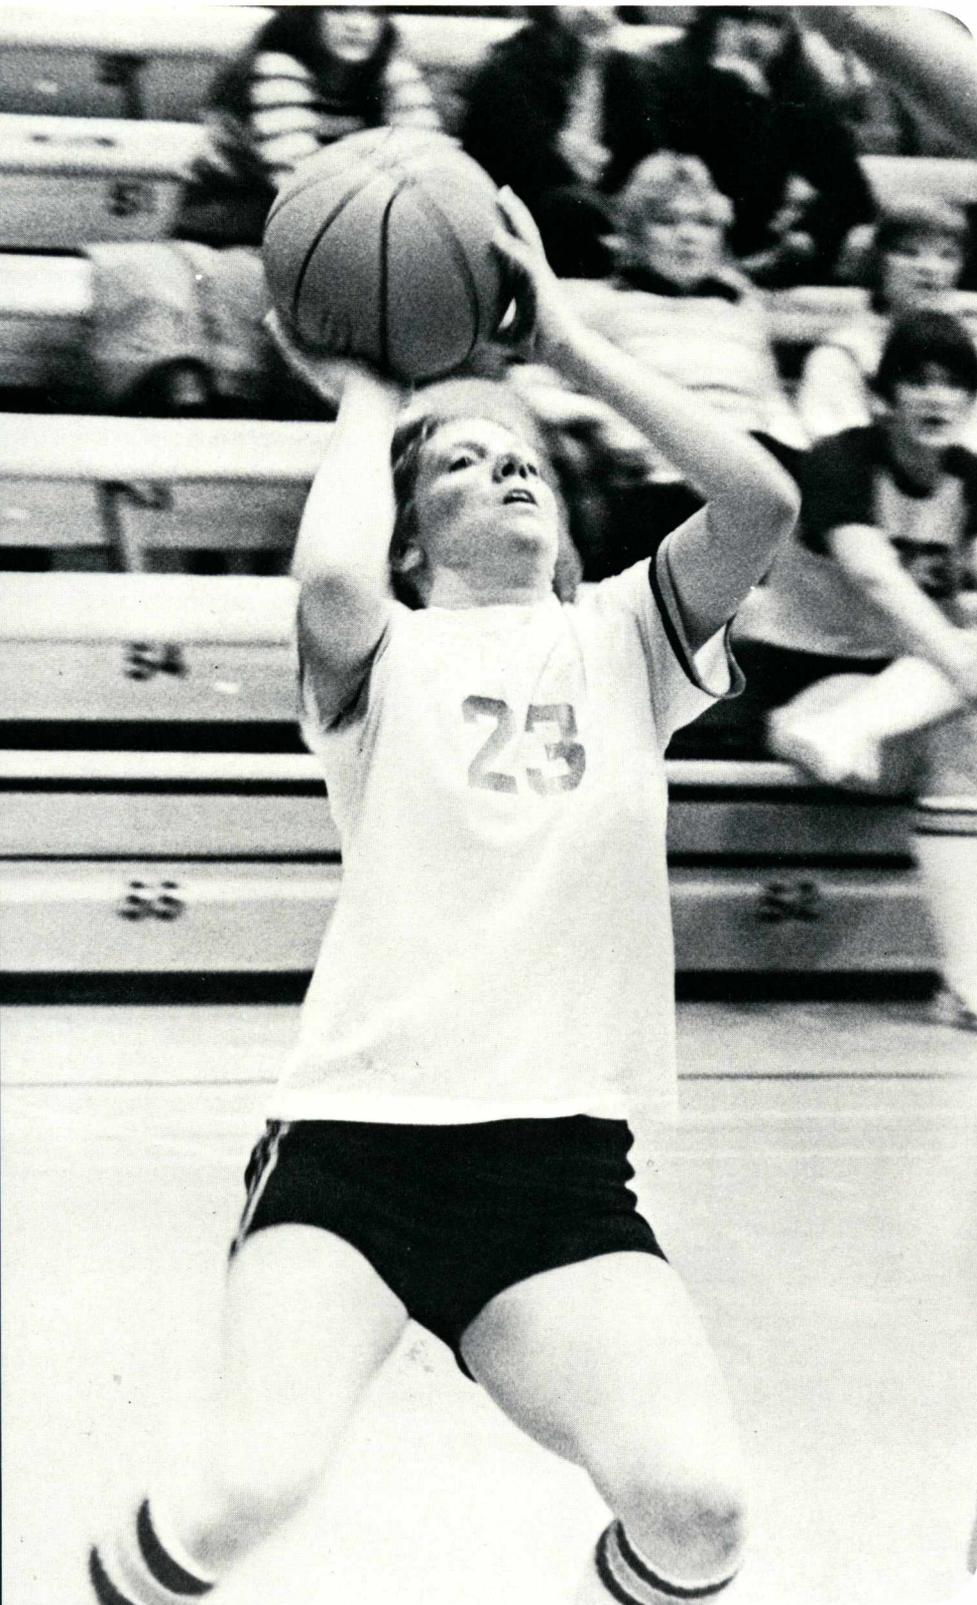

The turning point in the women's basketball season came, when in mid-season several key players were injured and it seemed that the team never regained its early season profile. Prior to these injuries the lady cagers had accumulated a fine 7-0 record. However, the team did finish the season with a third place in the Inland Valley Conference with an even 4 wins and 4 losses record. The final record for the entire basketball season was 12 wins, and 7 losses.

It will not be recorded how many matches the women's tennis team won, but the number is less than three, and that includes forfeits (they had two forfeits). Yet the team really did not do that bad considering they were playing without a full team for most of the year. Hopefully a complete team will be slated next year. Debbie Roberts was the most outstanding player and Sue Thompson was the most improved.

## “The Event of the Year” Hits NNC Campus

The first annual Lead Glove Championship swung into action the middle of third term this year providing the student body a golden opportunity to release all of their hemmed-in tensions that last term school can lay on. But not that many took up the chance. Most just watched and became more tense. All in all it was a well organized night of boxing; no one really got hurt, and it will probably become an event that will be around a while.

The  
End.
