## Opening Revival Challenges Students

The messages of Rev. C. William Elwanger were an inspiration and challenge to faculty and students.

Many were saved and sanctified, and many others received special spiritual help, or answered a definite call to the Lord's work.

It was a privilege to have Rev. and Mrs. Elwanger, pastors of the Roanoke, Virginia First Church, as our evangelists. Let us pray that the revival spirit will continue among us throughout this year of '55-'56.

## Student Center Has Vital Part

The T.N.C. Student Center which had its grand opening April 15, 1955, has been of valuable use for all students. Every state and departmental club and class have had a part in contributing of their finances to the recreational center.

The schedule of the hours it will be open is:

Monday through Thursday  
3:30-6:30—9:30-10:00  
Friday  
3:30-5:30—9:00-10:30  
Saturday  
10:00-12:00—1:00-9:30

(Continued on page 3, col. 2)

## Nashville Tour Interests Freshmen

A group of freshman toured Nashville Saturday, September 24, 1955, under the sponsorship of the Clio Society.

They visited the Capitol with a guide and also saw the Governor's office, State Legislative and the Senate, Capital Art Gallery and relics of past wars.

Afterward they toured, with Miss Campbell, the Upper Room. In the new chapel with the altar, each of the many signs on the altar was interpreted to them. They received printed materials of definite interest. While in the Upper Room they sensed a spirit of reverence.

Class Presidents: Left to right, Larry Finger, Junior; Donnie Smith, Freshman; Moody Gunter, Sophomore; Carol Ann Asbury, Senior.

## T-Room Is Favorite

The T-Room, one of the most favored spots on Trevecca campus, has an added feature which lends great attractiveness to the dining atmosphere. The fireplace has had an "uplift" in light brown stone laid over the cement blocks which the older students will remember from last year.

Another highlight is the table service which will go into effect this year. When students wish to eat in the T-Room it is requested they sit at one of the tables or booths and a waitress will come to their table. This will insure faster service and will cause much less confusion. All students are urged to patronize the T-Room. It is a good place for Christian fellowship and a place to greet old friends and to make new ones.

## Chaney's Visit Campus

Reverend and Mrs. Reeford Chaney, missionaries from the Hawaiian Islands, were here on campus September 20. They are here on furlough doing debutation work. They have been serving in Hawaii for three years and God has richly blessed their work.

Both Reverend and Mrs. Chaney, the former Barbara Wall, are former Trevecca students. Mr. Chaney served on the North Carolina district as a pastor.

## Seniors Sponsor Reception

Climaxing the opening week of events was the Student-Faculty reception. Each student had a chance to meet the Faculty members personally and enjoy fellowship with them. The Senior Class, sponsoring the occasion, served punch and cookies.

## Faculty Attends Education Conference

Dr. A. B. Mackey was the chapel speaker for the opening session of the conference of Nazarene College presidents, deans, business managers, and field representatives at Northwestern Nazarene College in Nampa, Idaho, October 5-7.

Dr. Mackey, Dr. Adams, Rev. Keys, and Rev. Richardson left October 1 for the fifth annual meeting, which is sponsored by the Church of the Nazarene Department of Education. Dr. Hardy C. Powers presided this year.

The session convened on Wednesday morning with Dr. Mackey's chapel address, and closed Friday at noon. Among the topics the delegates discussed were public relations, faculty, control of funds, administration, finances, and student life.

## Mr. Casey Gives \$15,000

Mr. Major Casey of Miami, Florida, recently presented a gift of fifteen thousand dollars to Trevecca with five thousand more to be given in the future. Over a period of years he has already given five thousand, bringing his gifts to Trevecca to a total of twenty-five thousand. Mr. Casey is a retired ship builder of New Bedford, Massachusetts.

## College Hill Church Welcomes Students

The College Hill N.Y.P.S. gave recognition to the new students, Wednesday evening, September 21, after prayer meeting by giving a watermelon feast on the church lawn.

ALMA MATER

On a hill stands old Trevecca  
Lined against the sky,  
Standing proud a Christian  
College,  
As the years go by.  
We will honor and we'll love her.  
We will stand for right;  
Always carry high her banner,  
Hail to the purple and the white!  
Fellow students, let us honor her,  
May we always be  
Sons and daughters she'll be  
proud of  
Dear old T.N.C.

**Large Groups Enjoy Activities**

School days are here again and the campus is vibrating with activity. Old and new students are renewing old acquaintances and making new friends. Everyone seems to be looking forward to the best year Trevecca has ever experienced.

Students have come from far and near to benefit from the blessings and advantages of attending a Holiness College. Already a wonderful spirit of Christian fellowship and unity has been felt on the campus. Our prayer is that this will be the prevailing attitude throughout the year of 1955-56.

It has been a joy to observe the largest groups ever participating in the orientation activities of the school. The opening week was carefully planned and all the parties, programs, and prayer meetings have contributed greatly to beginning this year at Trevecca in a wonderful way.

**College Offers Much**

Come to college to study? Why not? Someone has well said, "Everyone needs an education, even college graduates."

How privileged are we to enjoy the atmosphere of a Christian College. To increase our intellectual ability was exhorted by Saint Paul when he said "Study to show thyself approved."

We have an obligation to mankind to tell the story of salvation. We must in no way permit ourselves to lose an opportunity by being unprepared. The rapid pace of our world today stirs the souls of men for a balm. Only Christ can provide the answer, but it is ours to spread the gospel to all mankind. To do this we must not only measure up to world's standard; we must surpass it. Who would risk a doctor who could not pass his final test? Who would hire as a lawyer, an unlearned amateur—however good a farmer or silver salesman he might be? If the world requires of us certain abilities and traits, how much more should we strive to be a well-informed Christian. As no lawyer attempts a case without proper preparation, so should we Christian workers adapt ourselves to a routine to derive the most from our study to fit us for our case-life.

In all we must be alert to the touch of God. Our purpose in life

is to win souls, but the learning process can be beautiful only when all one's faculties are working together under the direction of Him only when our souls are constantly replenished with an overflow of the Spirit. An alert soul enlivens all our faculties.

So our obligation as a Christian in a Christian College is to study and study hard and give God the glory for all that is retained as a usable reserve.

**Faculty Honors Howicks**

The faculty met at the home of Rev. and Mrs. V. Neil Richardson, 78 Nance Lane, September 24, for the monthly faculty fellowship.

Honor members for the occasion were Professor and Mrs. William Howick who were married September 1. Mrs. Howick is the former Miss Frances Tucker.

Mrs. A. B. Mackey presented the honorees a large silver serving tray from the faculty.

**Student Center**

*(Continued from page 1, col. 1)*

The student center is a social center; it should play a vital part in your social and personal development. A high degree of culture should be maintained.

Students should come clean, neat and dressed appropriately. Undue familiarity, crude conduct, and boisterousness cannot be permitted.

It has been suggested and urged by students' groups that monopolizing of facilities be discouraged.

Continued privileges will depend on cultural, Christian cooperation.

The guidance given by Mrs. Orndoff and student hostesses should be respected by all who use the Student Center.

**Leaves from the Social Ledger**

As Autumn time draws near and the trees are shedding their Winter, so are the leaves falling from the Social Ledger.

The events of Orientation Week have proved that this year's student body is pledging full support and cooperation to T.N.C.'s full program.

As I whirled around campus with the leaves I noticed many new faces and heard many interesting conversations. We have accents from far and near this year.

Tuesday evening as I whirled down the private drive I saw quite a crowd at the Oasis. I finally made my way to the front to find out what the laughing was all about. I peeped over the shoulders of Helen Rood and Eddie Whittington and there was Donnie Smith sprawling on the ground. He hadn't jumped quite high enough in the "skipping rope relay."

Wednesday night after prayer meeting I followed Joe Jones and

**Counseling at Trevecca**

Counseling at Trevecca is more than a program or system. The faculty at your Christian college think of you not as a mere member of a large group, but as an individual of great worth in your own right. You, your problems, your interest, and aspirations are important to us. Think of every staff member at Trevecca as a counselor ready to listen, or assist, and you will be correct.

## A. A. Membership Has Upperclassmen Win All-Time High 14-0

What's that? A new record in what? My, my, let's get this in print right away. Yes, that's right, there has been a new record set in the Athletic Association at Trevecca Nazarene College. Our membership has swooped to an all-time high of 135 members. With this fine group of new members we should be able to have not only the highest enrollment but also the best year yet in Christian Athletics. You can help to make this possible by boosting your team in every game. Remember that anybody can boost a winner but it takes courage to boost a losing team. The cheerleaders elected for this year are: Freshmen, Irene Godby, Martha Sloan, Jo Lynn Armstrong; Sophomore, Joan Barry, Shirley Biggs, Nina Griggs; Upperclassmen, Carol Ann Asbury, Mary Jo Bowling, Jean Dodd; High School, Linda Hampton, Nancy Thorpe, Beverly Foreman.

There was just too much Whittington and Gunter along with strong supporting from their teammates for the High School and Freshmen to cope with in the opening practice game of the season. The first half of the game proved to be only a tug of war with neither team threatening very much. However, the tide turned in the third quarter when Gunter whipped a short pass to Ed Whittington for the T. D. The extra point was added by a pass to Whittington.

The final quarter brought another T. D. when Gunter again passed to Whittington who sped 40 yards for the score. The extra point was added by Gunter, bringing the final score to 14-0.

Altho the game was lost by the High School and College Freshmen their fine playing is expected to be exhibited in full force later.

One of the first projects will be to start the follow-up work for all new converts. The weekly meetings will continue each Monday evening at 6:00 o'clock. The group is praising God for past blessings with 778 conversions last school year and nearly 450 during the summer school session.

### Leaves from the Social Ledger

(Continued from page 3, col. 2)

Janie Little, Sarah Jones and Mickie Smith to a watermelon feast provided for the new students by the College Hill N.Y.P.S. Oh, how I wished that night for a camera as well as my note pad to cover this event. Everyone really seemed to enjoy this social especially R. T. Kendell and Eddie Cloud, a new "Soph" from Tampa, Florida. These boys seemed to be taking a tour of "all" the tables.

Friday evening crowned the social high-lights of this first week of school. A garden atmosphere was brought out in the decorations and the student body of 1955-56 was introduced to the faculty under the excellent supervision of Wendell Williams acting as Master of Ceremonies. Following E. C. Rose and Norma Carpenter to the refreshment table after the program, I heard the Seniors making explanations about the 140,000 cookies de-

livered by mistake. They were all still a little pale as they thought of the expense this might have entailed had not the bakery taken them back. At least we must admit our Senior Class this year is certainly generous!

I took a breather from the social activities to wander through the classrooms on the first day of school and though there were many new faces some things were just the same. For example from the Journalism room I heard, "Charles! Charles! Charles Cork!" Mrs. Phillips is having trouble keeping Charlie awake again this year!

I must whirl away for now. Until next time remember the "leaves are falling". Watch for "your" name on one of them.
