TREVECCA COLLEGE LIBRARY

VOLUME X NO. 1

TREVECCA NAZARENE COLLEGE, NASHVILLE, TENNESSEE

SEPTEMBER, 16, 1953

WELCOME, T. N. C. STUDENTS

Rev. Roy Bettcher To Be Revival Speaker

Rev. Roy A. Bettcher, pastor of the First Church of the Nazarene in Chattanooga, Tennessee, is to be the evangelist for our fall revival which is to be conducted September 21-27. The revival is in collaboration with College Hill Church. Services will be each morning in the regular chapel hour, and each evening service will be at College Hill Church at 7:00.

Rev. Bettcher has held several pastorates in Indiana and was in evangelistic work for fifteen years before accepting his present position. This summer he has been speaker at several camps, one of which was the Dayton Camp in Dayton, Tennessee.

We are happy to have Rev. Bettcher as our revival speaker and are looking forward to a great time in the Lord. Let us all join together in prayer for a great revival.

"The cure of care is prayer; the end of prayer is peace."

"If you can't do what you like, suppose you try liking what you do and see what happens"

FACULTY HAS RETREAT

The annual faculty retreat was held at Montgomery Bell Park, September 14-15. The retreat included the annual faculty meeting, devotional services and recreational opportunities.

On arriving, the faculty gathered for a time of devotion before beginning their work. Announcements and assignments were made and the faculty formed committees to make plans for the school year of 1953-'54. Plans were made for chapel services, literary events, dormitory life, regulations, attendance, grades, and various activities in every phase of school life.

All enjoyed the periods of recreation and joined in playing such games as soft ball, horse shoe, volleyball and fishing. Dr. Adams and Professor Richardson especially enjoyed the fishing.

The faculty members returned to Trevecca with plans for the year and with a determination to make this a profitable one for the students.

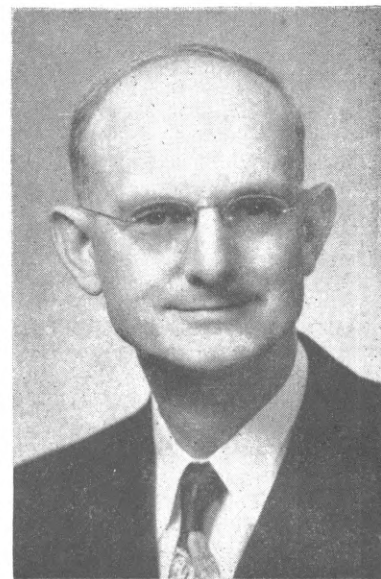

PRESIDENT'S WELCOME

We welcome the new students to Trevecca at the opening of the fall quarter, 1953. We want you to come to Trevecca because without the new students the former students would graduate and soon there would be no college for students to come to, or for the teachers to teach, and oh, how lonesome we would be without a job that we have spent most of our lives preparing to do.

We welcome students' return because we have learned to love you and have become interested in helping you to prepare for the highest positions in the field of service to mankind.

We welcome you back to Trevecca because you will have the opportunity to help the new students to learn to love Trevecca College. We welcome you to the opportunities that a Holiness College with its Christian boys and girls and its Christian faculty has to offer. And I, personally, want to assure you of a happy and a profitable year. I wish I could tell you how my first year in college at Olivet, thirty-four years ago, has increased like compound interest in the treasury of my memory.

—A. B. Mackey

Dr. A. B. Mackey Begins 17th Year As President

Dr. A. B. Mackey is beginning his seventeenth year as president of Trevecca Nazarene College. He came to Trevecca in 1925. He served as high school principal from 1926 to 1929, as dean of college from 1929 to 1936 and was elected president in 1936.

At that time Trevecca was at a financial crisis. Dr. Mackey believed in Trevecca during those days when our school almost went out of existence because of debt. He began to work immediately toward decreasing this debt and starting Trevecca on a progressive march.

During the first year of Dr. Mackey's administration the current debts were paid off, teachers received a regular salary and the expansion program began.

Five new buildings have been erected since he became president, the latest one being the new Fine Arts building. We are happy to see the new buildings going up and other advancements being made. We know that with Dr. Mackey as president continual progress will be seen.

C. W. PRESIDENT GIVES CHALLENGE

"Go ye into all the world and preach the gospel," is the command of our Heavenly Father. The responsibility of every born-again Christian is to do his small part in evangelizing the world. This gospel message is so glorious that we should ever be stirred about it. There is nothing common place or ordinary about the gospel of Christ. Every phase of Christian experience is weighted with the miraculous. The experiences of regeneration, the witness of the Spirit and entire sanctification are all miracles of divine grace.

Trevecca Nazarene College is the only college in Nashville which affords you the opportunity of witnessing to lost men and women behind prison bars, on the street, and in rest homes.

Remember! All about us the fields are white unto harvest. The Macedonian call for help comes from innumerable fields of urgent need. If we are not alert in responding to these calls, our ears soon become deaf to the cry: "Come over and help us." Those who become indifferent sicken the sleep of death while multitudes perish in darkness and despair.

A great host of consecrated, conscientious workers are needed again this school year in the Christian Workers Association that scores of souls may be won to Him. To reach all we must enlist all in the work of evangelism. Partial co-operation will mean only partial success. Will you help us in this crusade for souls? We want you! We need you! Come to the Christian Workers Prayer Meeting each Monday evening, at six o'clock

TREV-ECHOES EDITOR WELCOMES STUDENTS

I would like to extend my personal welcome to all new students who have made Trevecca their choice. You made a wise choice and I know you will not be sorry. We are also glad to have each former student back for another year.

Trevecca makes available to you many opportunities. Social growth is provided by the cultural and social life of the school. Intellectual growth is presented if only we apply ourselves and spiritual growth is ours if we listen and benefit from the church services, chapel services, and instructions of our faculty members.

Let us all take advantage of these opportunities and work together to make this a profitable year at Trevecca.

THE OLD TO THE NEW

You've come upon our campus,
Your eager face aglow—
Your eyes are full of questions
Of things you want to know.

We hear you laughing from our room;
And listen to your chatter;
Or see you eating in the "snack",
And making yourself fatter.

You even like to go to class,
It makes us all remember—
How once we too were young and gay
In a long-ago September.

In short, you're just like sunshine,
You brighten up the place!
It almost makes us feel like new,
To see your smiling face.

And so we'll print these letters here,
Real big so you can see!

WE WELCOME YOU, WITH ALL OUR HEARTS TO DEAR OLD T. N. C.!!!!

in the McClurk Auditorium.

Rev. Harry Ulmer served in the Army two years before coming to Trevecca and has been a student at Trevecca for the past two years. The Ulmers have their own trailer in Trevecca Trailer Court.

While at Trevecca Bro. Ulmer has become known and admired for his co-operativeness, sincerity, and deep spiritual life. He has always taken an active part in Christian work and we are happy to have him for the President of the Christian Work this year. We are looking forward to a great year with many souls won for Christ.

DARDA EDITOR WELCOMES STUDENTS

REASSURANCES

Don't worry, Freshmen; Trevecca isn't such a difficult school. I know a fellow who got out of T. N. C. in three years. Of course, his manner of exit isn't termed graduation. Some people even get through in one day—enter the front door, exit the back door. I know a girl who got her degree in one year—the M. R. S., Master of Residential Science.

Another thing about T. N. C. is that there is never a dull moment. You always have enough out-of-class assignments to keep you occupied in your leisure time, and there is a snack shoppe where you can chat and spend your extra money. Everything is utilized and nothing wasted at T. N. C., especially time and money.

MRS. A. B. MACKEY PRESENTS

LIBRARY SERVICES

The library at Trevecca offers a wide variety of materials to meet the needs of both students and faculty. Materials for supplemental or collateral reading, recreational reading as well as those at the professional level are available for all who need or desire them.

The card catalogue is a complete file of all books in the library arranged by author, title, or subject entry. It is for the convenience of the students and should be used constantly by them.

For locating articles in magazines the Reader's Guide to Periodical Literature is the best source. Those interested may find material listed under subject. Also indicated will be the name of the article, author, name, volume number, page number and date of the magazine in which the article will be found.

All reference materials such as encyclopedias, dictionaries, atlases, maps, biographical dictionaries, etc. As well as magazines, current and bound are found in the reading room of the library. These are to be used in the reading room and are not to be taken out.

Books may be checked out for a period of two weeks with renewal privileges of an additional two weeks.

On the reserve shelf is found a collection of books which circulate for a limited time only. These may be checked out for one hour, two hours, one day or one week as indicated by the instructor who places them on the reserve shelf. One hour and two hour books are used in the reading room only. It is important that all materials complete statistical records may be kept. Books should also be returned promptly on date stamped in the back of the book.

MRS. M. E. SPRUILL HEADS
READING IMPROVEMENT
SERVICES

Mrs. M. E. Spruill will spearhead a new phase of Trevecca's counseling program. Reading Improvement Services are expected to be a vital part of Trevecca's Counseling Services for '53-54. Mrs. Spruill has had special training for this work during her graduate work at Peabody College.

Our Reading Clinic will be located on second floor of the new Fine Arts Building. Materials, equipment, and machines are being provided to the end that this new phase of Trevecca's personnel services may function efficiently from the beginning. Trevecca is fortunate to have a staff member with training and experience in the special field. It is believed that our Reading Improvement Services will be a great help to our students and be our aid to our entire scholastic program.

"It's good to have money and the things that money can buy, but it is good, too, to check up once in a while and make sure you haven't lost the things that money can't buy."

(Cont. from p. 2, col. 1)

Miss Edith Lancaster, who recently received her degree in library science at Peabody College, has accepted the position of assistant to Mrs. A. B. Mackey, librarian.

The librarian and her assistants are ready and eager to help in the solution of all problems relative to library materials. Please ask for any information or aid you may need. We welcome you to the library where you will find materials to satisfy your educational or recreational needs.

TREVECCA'S COUNSELING PROGRAM

Trevecca's Counseling Program stands as a symbol of the fact that Trevecca's leadership is interested in its student body, not merely as a mass, but as individuals of infinite worth. Faculty counselors stand ready as Christian friends to help young people, not only in the solution of special problems, but also to assist them in growing into mature, well-integrated personalities.

Some of the purposes of Trevecca's Counseling and Guidance Program are:

- * To assist students in understanding themselves.
- * To help them see their own possibilities.
- * To aid them in personality development.
- * To provide Christian guidance for youth problems.
- * To give assistance in the field of vocational choice.
- * To encourage wise planning for successful married life.
- * To advance youth in social poise.
- * To aid in college adjustment.
- * To improve study habits and reading skills.
- * To assist with future educational plans.
- * To help solve religious problems and aid youth in becoming established in Christian living.

COUNSELING SERVICE FOR 1953-54

- * Group sessions in personal development for all College Freshmen.
- * Personal counseling for all College Freshmen with a designated counselor. (Services of all other counselors are also available to Freshmen)
- * Personal Counseling for all students on a voluntary basis.
- * Special interviews for students preparing for the professions.
- * Faculty counselors for specialized areas. (Health, Finance, military, employment, marriage)
- * Reading improvement services.
- * Vocational guidance services.
- * Tests and inventories — Intelligence, Vocational, interest, temperament, personal scholastic, study habits, college adjustment, health practices, etc.
- * A wide range of guidance material on various phases of personal development, problems and planning.
- * Group conferences on special problems.
- * All counselors and faculty administrators ready to serve Christian youth in the college with a great future.

As Christian counselors, our sincere desire is that each student at Trevecca will feel that we are genuinely interested in your welfare and happiness, and that we are "yours to serve."

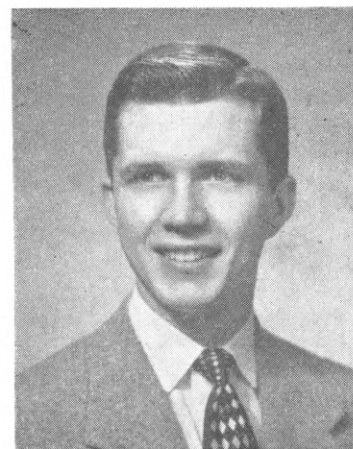

K. W. Phillips,
Dean of Students

STUDENT COUNCIL
PRESIDENT WELCOMES
STUDENTS

As you enroll in Trevecca there is opened to you a door of opportunity, challenge, and blessing. Trevecca is friendly and is noted for its cheerfulness. For the first weeks of school let us appoint ourselves to the committee on introductions. Let's become acquainted; participate in student activities; become a part of Trevecca.

The Student Council offers its services to each of you. Feel free to talk with us and to offer suggestions at any time.

Trevecca is your college. Let's make it the best.

—o—o—o—

Charles Duckett, our student body president, was born in Bowling Green, Kentucky, on February 2, 1932, to the home of Mr. and Mrs. C. T. Duckett.

He attended high school at Trevecca and was graduated with honors in 1950. He took an active part in all activities while in high school and was treasurer of his senior class.

Charles takes an active part in our church work and is at present president of the N.Y.P.S. at the church of the Nazarene in Franklin, Tennessee, where his father, Reverend C. T. Duckett, is pastor.

For two years Charles has faithfully served as Student Body Secretary and we are now looking forward to a great year with him as President of our Student Council. Let's all co-operate with him and help to make this a wonderful year at Trevecca.

FACULTY FLASHES

Our faculty members at T. N. C. kept themselves occupied this summer doing many different things. Let's notice a few of these activities.

President Mackey has carried on his regular duties at the school in addition to attending summer assemblies.

Mrs. Mackey - has been extra busy. She has been caring for her parents who were injured several months ago in an automobile accident. She has also been working in the library but is still smiling and as cheerful as ever.

Dr. Adams - has been carrying on his regular duties as Principal of the high school and teaching. His schedule included some college classes.

Mrs. Bennett - We are sorry to hear that Mrs. Bennett has been sick. We hope to see her back with us in good health again.

Dr. and Mrs. Bracken - have been two of our faithful summer school teachers. They are always an inspiration to us. They enjoyed a trip to Oklahoma.

Miss Cooner - vacationed and spent some time at home with her father and in Louisville, Kentucky, with her sister. She is back at Trevecca all prepared to teach us how to make better speeches.

Professor Duckett - has been at home in Franklin, Tennessee, when he was not busy in our school book store. He has been well occupied with this and the duties of his church.

Professor Galloway and his family enjoyed a trip to California. Two of the highlights of their trip were their visit to Pasadena College and to Grand Canyon. He has been occupied with duties at College Hill Church, including a tent meeting.

Professor Greathouse - has performed his work at his pastorate in Clarksville, Tennessee, and has spoken at various assemblies and camps.

Dr. Gresham - has been carrying on his regular duties as Dean of College and has also been teaching in summer school.

Mrs. Gresham - has been teaching, along with keeping her home on Nance Lane and trying to keep up with two lively boys.

Professor Hammond - has been working hard on their new home which they hope to have completed before long. He has also taught classes in both high school and college.

Mrs. Hertenstein - We miss our former choir director, but after

MR. FRESHMAN Vs. Mr. T. N. C. CHARLES CUNNINGHAM IS

Do you want to be a good student at Trevecca, Mr. Freshman? To help you, I'll tell you about Mr. Trevecca Nazarene College.

Mr. T. N. C. is a very friendly fellow. His smile spreads sunshine to his fellow-classmate everyday and he is courteous and kind to everyone.

In addition to his friendliness and courtesy Mr. T. N. C. has that wonderful characteristic, dependability. If he promises a classmate or a faculty member that he will be on the decorating committee for a Friday night program, he doesn't suddenly forget and go away for the week-end. He never stays away from classmeetings to shun responsibility, and he doesn't wait until third quarter to hand in a first quarter term paper or the night before exams to cram in a last minute frenzy.

Above all, Mr. T. N. C. is a radiant Christian. His devotional life isn't pushed into the background because of his many tasks but he keeps Christ as the center of his life.

Because Mr. Trevecca Nazarene College is such a wonderful fellow he is very busy right now. But if you work hard enough and wait long enough you'll find him, Mr. Freshman, and you'll be surprised to know him!!

teaching music at T.N.C. for the summer, those wedding bells took her away from us on August 24th. She is now Mrs. Howard Wall. We wish her much happiness.

Professor Howick - has been around Trevecca teaching and taking advanced work at Peabody. He was not too busy to take several fishing trips in his leisure time. Did you catch any?

Rev. Keys - Could there be a busier man than our field representative in the summer? This year there were five groups on the field. Brother Keys not only traveled with the Evangelists Quartet but looked out for the other four groups.

Miss Person - taught classes and did her regular office work the first session of summer school. She enjoyed a visit from her cousin, Miss Hazel Peterson, who is a school teacher in Minneapolis, Minnesota.

Professor Phillips - has traveled for T. N. C. with the Ambassadors Quartet. They held services in many of our churches and assemblies on the Southeastern Zone. He was also speaker for the Mississippi Youth Institute.

NEW DIETICIAN

Both students and faculty are happy to welcome Mr. Charles Cunningham as new dietician. He will be head of the cafeteria and snack shop.

Mr. Cunningham has been a student at Trevecca for two years and plans to continue his school work along with his other obligations. The Cunninghams are making their home on Trevecca Campus.

We know there is a big task before him, but we feel that his accomplishments will contribute to make this year a better one.

"Arithmetic is good when we multiply good, subtract hate, divide between truth and error and then add a little forgiveness for the faults of our friends."

"Look for the good in people; then you shall grow better yourself."

"Everyone of us lives under one or two tents—content or discontent."

"The one thing worse than a quitter is the one who is afraid to begin."

"Strangely enough the folks most apt to lend a hand to you are those who are already rushed with countless things to do and when bad luck befalls you, misfortunes make you prone, the ones who will help you most are those with troubles of their own."

"Character is made by what you stand for, reputation by what you fall for."

Mrs. Phillips - has been teaching in summer school and caring for their daughter, Ellen.

Professor Redford - has been busy with his church duties. He also held a revival meeting at Laurel, Mississippi.

Mrs. Redford - has been teaching both in high school and college departments.

Professor Richardson - has been occupied with his duties as Business Manager.

Mrs. Shelton - has been living a peaceful and quiet life at her home on Nance Lane. She has been at home most of the time except for her visit to the H. C. Morrison Camp Meeting.

Mrs. Spruill - has been taking graduate work at Peabody College.

Dr. Stunick - has been visiting in the North.

Wedding bells rang for several of our Trevecca couples this summer. Among the couples who exchanged marriage vows were:

Inez Miller and Lowell Foster
Bobby Turner and Carol Murphy
Orville Toy and Melba J. Biggs
Joyce Bryan and Robert Perry
Bill Bridges and Britta Lou Rice
Sylvia Wallace & Jimmie Miller
Emma Leverette and Paul Michael

J. R. Browning and Louise Hall
Wendell Smith and Wanda Cruse
Yvonne Bennett and Bob Wetmore

Gladys Reed and Kenneth Clemmens

Among the weddings was that of Mrs. Madelyn Hertenstein, a former teacher at Trevecca, to Reverend Howard T. Wall, Jr. The ceremony took place August 24 at the First Church of the Nazarene in Clarksville, Tennessee.

The Trev-Echoes Staff congratulates all of these couples and wishes for them the best in life. Our prayer is that Christ shall always be the center of these homes.

DR. MACKEY BEGINS 17th Yr.

(cont. from p. 1)

Dr. Mackey has willingly given his time, influence, knowledge — in fact he has given himself for Trevecca. As he begins another year of faithful service, let us show our gratitude by standing behind him and going forward for a bigger and better T. N. C.
