Global Week of Prayer Update

For 28 years, Nazarene Missions International has called the Church of the Nazarene to participate in the Global Week of Prayer. Each year, the week that includes the first Friday of March (designated as the World Day of Prayer), Nazarenes around the world are guided through prayer and praise items from each of the six world regions.

Global participation continues to grow each year. The focus of the Global Week of Prayer is to unite the Church in lifting up the work of missions everywhere. We pray for specific requests from each region, and we join in praise for all that God is doing on each region. This year, materials were developed to also include children in the Global Week of Prayer.

These 2024 Global Week of Prayer resources are available in digital and print formats, in 20 languages, and may be downloaded from <http://www.nazarene.org/nmigwp> . These resources can be used throughout the entire year to help focus prayer and praise, both individually and corporately.

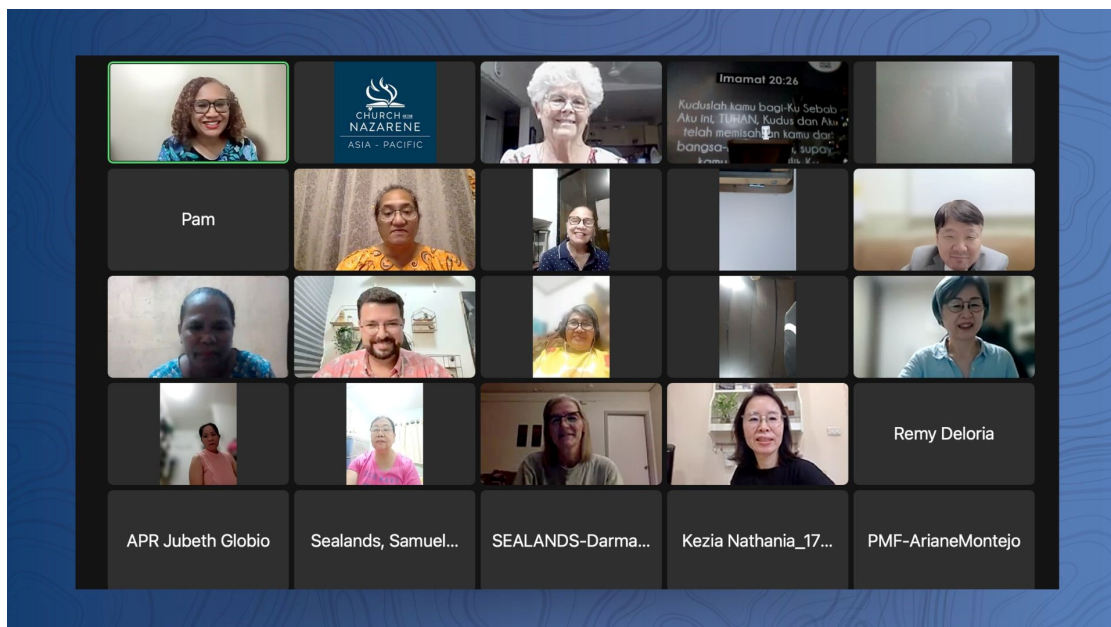

The 2025 Global Week of Prayer will take place from Sunday, 2 March through Saturday, 8 March 2025. Save these dates in your calendar and join Nazarenes everywhere in prayer and praise.

NMI SNAPSHOT

Asia-Pacific Region participates in the Global Week of Prayer

The Asia-Pacific Region joined in celebrating the Global Week of Prayer, 25 February-2 March 2024, by praying for the daily praises and requests focusing on each of the six world regions.

Over 200 people participated in the online kick-off service on Day 1 that was held on 25 February 2024, introducing the Global Week of Prayer, followed by inspiring messages from Global NMI Director, Lola Brickey and the challenge by the Regional Director, Dr. Mark Louw. He emphasized the importance of prayer by citing 2 Chronicles 7:14. Field Strategy Coordinators from across the Asia-Pacific Region led the reading and prayer for the praises and prayer items for the Global Church. Local Church Ministries (NMI, NDI and NYI) led the reading and prayer for the Kids Praise and Prayer items. This is the first Global Week of Prayer to include a resource designed for children.

From Day 2 to Day 7, the six field NMI coordinators led the prayer time, focused on one of the six world regions of the Church of the Nazarene.

“Prayer is the glue that connects us,” said Global NMI President and Asia-Pacific Regional NMI Coordinator, Christine Mosuela. “Time and distance do not hinder people from coming together and raising their voices to the Lord in unison. Indeed, when two or three are gathered in His name, He is in their midst.”

During the recent Global Week of Prayer, God moved throughout the Church of the Nazarene. Time alone will tell the full impact of that week spent in earnest prayer.
