

Dee. 14, 5. And the Lord will create &c

Net Ziv is the Church of God. ~~Preceding~~  
the ch in her better, more spt & triumphant  
days through the sacred city & Holy Temp.

A but a fit illustration of the Ch - &c  
A thing to be seen = An emblem  
of strength & perpetuity. a place of  
blessing, &c.

Every Ch-dwells on Net Ziv, Born  
there. It is the only place he can  
breath - Here where he finds food -  
Place of shelter.

Here the Lord creates upon every  
dwelling place the cloud of smoke  
by day & the shining of a fire by night

Signifies the D.P. When the children  
of Israel left the slave pens of Eg. &c. This  
was more than an emblem. &c

Here are two promises. The D.P  
to rest upon the individuals, &  
the divine presence to rest upon the  
assemblies &c. And the glory  
of His presence to be the defence  
of each. There are peculiar  
ordinals through which the individ  
ual passes. Also the Church as a  
body. Trials, temp. Conflicts &c  
And to each in a peculiar way  
the D.P. is the defence

Take the Church<sup>2</sup> as a whole, I must  
sump. & dif. prep. Upon every part of  
united worship. All worship con-  
sists of two parts. It is either God  
speaking authoritatively to us  
or we speaking to God.  
The preaching of the word. & Prayers  
Songs. All this is attacked by  
by worldliness in many ways.  
The utterance ascribed to the arch-  
deceiver in the beginning - is seen  
in these days. He says. Please  
the men of this world in order to  
win them. Charm them &c &c.  
And so it comes, that much of the  
service in many so called churches  
is to please & thus draw to number  
& interest the worldly people.  
Thus the demand in many churches  
for a certain class of preaching,  
that will send people away saying  
would that grand what a wonderful  
preacher. Stage acting. Sensational  
subjects. &c. And so too the forms  
of worship. Singing. Remedy  
Gods own way. For a church  
to be real & not a sham. To preserve  
a proper conception of what public  
worship is for. To realize God's methods  
to the conversion of sinners. This is worth

and remedy. The Drain Pump
